Lausche Cracks Whip at Gambling 'Winks'

Sheriff Ousters Hinted

Asks Broader Removal Powers

COLUMBUS — Gov. Frank J. Lausche has asked additional power to clean up gambling where local authorities fail, the Associated Press reported today.

In a surprise 30-minute visit at a caucus of senate Democrats, the governor asked authority to remove sheriffs who wink at gambling law violations.

During his first term he removed mayors who failed to halt organized gambling. He lacks power to oust sheriffs.

Long a foe of gamblers, Lausche singled out race tracks operating legalized pari-mutuel betting for a new attack. "There is only one place for new revenues," he told newsmen. "That's the operators of race tracks."

Gov. Lausche did not expand on the idea of getting new revenue from race tracks.

Asked if he was opposed to legalizing betting on horse races, the governor replied, "That law is in effect and there should be no effort made to change it."

Referring to his request for power to remove sheriffs who fail to do their duty, the governor said nearly all sheriffs were honest men "but there have been places where there has been complete defiance of responsibility of their oaths."

SPEED APPROPRIATION

Meanwhile representatives rushed to pass a whopping $146,000,000 six-month appropriation after learning Ohio may have only $4,000,000 for extra spending money this year.

Gov. Lausche told legislators there won't be enough cash for all the requested state handouts to schools, cities and welfare institutions.

Senators said the unpredictable Lausche also suggested greater strip mine controls.

House Republicans called their own caucus today to consider whether to try amending the partial appropriations bill on the floor.

It was recommended for passage by the House Finance committee without $11,000 extra asked to operate the state treasurer's office. Treasurer Don H. Ebright, only Republican to win elective statehouse office, said the money was needed to meet increased costs.

Attempts to amend the budget bill on the House floor could delay it further. Jan. 15 pay checks to state employes and grants to old age pensioners will be late because the legislature didn't pass the measure the first week of the new session, as is customary.

New legislation began to pour into both houses yesterday.

Acheson to Tell Side

WASHINGTON — (INS) — Dean Acheson is expected to take the initiative with a voluntary public statement attacking rumors and questions concerning his policy toward Russia when he testifies tomorrow on his nomination as secretary of state.

A responsible administration source said this "probable" strategy was designed to set at rest immediately the flood of "innuendoes" concerning Acheson's background raised by some members of Congress.

Acheson will be the first witness before the Senate Foreign Relations committee tomorrow morning when it opens public hearings in the Senate caucus room on his nomination as Gen. George Marshall's successor.

The former undersecretary of state has been advised to "nail down" the series of questions concerning his viewpoints before lending himself to interrogation by members of the Senate committee.

Syndicate Gets Big Bond Issue

The Mansfield City Board of Education today sold the $2,250,000 worth of bonds for a school building program to a five-firm syndicate, headed by Glore Forgan and company of New York.

That group won the award with a bid of one and three-quarter per cent and a premium of $3,307.50, which bond buyers at the sale called the best offered in Ohio in about the last two and one-half years.

The board made the award at a meeting at noon when the bids were opened.

In view of the fact that the board will receive that premium sum, the interest rate the board will have to pay for borrowing the money will come to approximately 1.7354 per cent.

The winning bid was submitted by another member of the syndicate, W. E. Hutton and company, of Cincinnati, and was the only one and three-fourths per cent bid.

Other members of the syndicate besides those two included White, Weld and company, New York, Maynard Murch and company, Cleveland, and Weeden and company, San Francisco.

Nine other bids by syndicates offered to buy the bonds at two per cent interest, and offering premiums.

The second best bid was that of the Central Republic company, of Chicago, and others, with an interest rate of two per cent and a premium of $53,977.50.

Third best was offered by the First National bank of Chicago, and others, with an interest rate of two per cent and a $49,255 various premiums.

Sixth best offer was that of the Farmers Savings and Trust company, which with nine other banking firms, offered a bid of two per cent and a premium of $47,025.

The only other bid in which a Mansfield bank was interested was that of the Northern Trust company of Chicago. Among the firms in the syndicate was the Mansfield Savings Trust National bank. That bid was two per cent, with a premium of $25,740.

Tientsin Holds Out

Waves of Red Infantry Attack

SHANGHAI, — (UP) — Telephone reports from Tientsin said the city still was holding out against furious communist assaults today with no sign that the Nationalist defense line had cracked.

The Nationalist defenders were fighting fiercely and still were holding their western perimeter, where the main communist assault is striking, these reports said. The communits were battering the northern sector with heavy mortar and artillery fire.

These reports, from a neutral source, said communist "human sea" tactics—wave after wave of infantry—had been used without success in efforts to crack Tientsin's defenses.

A four-man truce mission from the Tientsin city council still was seeking peace with the communists. The mission disappeared behind communist lines at 5 p. m. Tuesday and still had not returned.

See Early Break In 'Dahlia' Case

LOS ANGELES, — (INS) — Authorities began finding holes today in the story of an aspiring sex crime expert that he is innocent of the brutal murder of the "Black Dahlia."

They looked for an early break in the baffling slaying as they extensively grilled Leslie Dillon, 27-year-old Santa Monica belhop, about the killing two years ago of Elizabeth Short.

Youths Sentenced

PAINESVILLE— (AP) —Three 16-year-old youths must serve terms in the juvenile detention ward here as the result of an argument in which one boy received a serious eye injury. The eye injury was suffered by Quido Stella, 16, when a bottle of tear gas was thrown into his face.

Ice Glazes Streets In City

California Hit By Snow

Winter continued to throw knockout punches all over the nation today as two-tenths of an inch of snow fell in Mansfield, glazing streets and roads.

By noon today, however, all roads were reported in good shape. The city had one salt spreading crew in action at 6 p. m. yesterday, a second was added at midnight and two more at 7 a. m. today.

Four county crews and nine state crews also were busy. The state patrol said all roads were passable in the area.

The mercury continued to hover just below freezing, getting no higher than 30 degrees yesterday nor lower than 25 degrees early today.

The weatherman predicted that tonight and tomorrow will be cloudy and cold.

And while Mansfield had comparatively light snow and normal temperatures, weird conditions prevailed over most of the nation.

SNOW IN HOLLYWOOD

Los Angeles has had its biggest snow in history—great white flakes settling down to build up drifts of five and six feet in such sun-cascaded spots as Bing Crosby's San Fernando valley and the much-celebrated Hollywood Hills.

Even the green Rose Bowl turf was blanketed by six inches of snow and four inches covered Colorado boulevard in Pasadena down which the annual tournament of Roses parade passed on New Year's day.

It snowed for the first time in history in Needles, Calif., the hottest place in the country in the summertime, and the temperature dropped below freezing.

The first snow in the memory of Catalina island residents confused birds so badly they flew upside down and did barrel rolls.

The Pacific northwest was gripped by a severe cold wave that froze water power sources and created a shortage of electrical power. The cold, with temperatures as low as 20 below zero, was expected to continue through the week.

Snow plows finally broke through to Gordon, Neb., which had been isolated for 10 days by heavy snows. Two trucks loaded with food ended an emergency that had caused food rationing in the town.

Army planes flew mercy missions over the snowbound areas, aided by National Guard, civil air patrol and private planes. They carried blood plasma, baby food, bread, canned milk, medicine, coal and baled hay.. Helicopters took off from Lowry field at Denver. Private pilots equipped their planes with skies.

4 Kidnaped For Revenge

CINCINNATI, — (UP) — One of two brothers held for the kidnaping of four women and the shooting of a plant official said today he and his brother went on the terror spree to seek revenge for their mother's loss of her job.

Herman Howard, 26, told police Chief Charles Fritz of suburban Norwood that he and his brother, Clayton Howard, 28, set out for revenge the night of Jan. 3 after their mother returned home in tears after being discharged from her restaurant job.

He said he and his brother kidnaped Mrs. Margaret Wilson, 43, proprietor of the restaurant, two employes and a customer to "get even" with Mrs. Wilson. He said they planned to drive Mrs. Wilson into the country and then force her to walk home.

Herman said that after the car in which the group was riding hit a street car, he fired three shots "to scare" Clarence Rakel, who ran to the scene. One shot hit Rakel in the back, seriously wounding him. The brothers fled on foot.

Starts 39th Year As President

Ackerman, 91, Keeps Post As Bank Head

Charles F. Ackerman, Mansfield's oldest bank president and one of the oldest active business officials in Ohio, was returned to office as head of the Mansfield Savings Trust National bank at the firm's annual meeting yesterday. All other officers of the bank were re-elected.

Mr. Ackerman, who celebrated his 91st birthday in November, started as a messenger boy with the bank in 1873 and became president in 1910.

The annual report, submitted at yesterday's meeting, showed that deposits during 1948 rose to a record high of $29,082,124, an increase of $1,178,072 over 1947 deposits, which had set the previous record.

Total resources for 1948 were $31,523,858, an increase of $1,384,806 over 1947.

Other officers of the bank, re-elected yesterday, include Henry G. Brunner, executive vice president; Avery C. Hand, jr., vice president; Sherman A. Wentz, cashier and trust officer; George B. Garrison, assistant cashier and auditor; Barnes M. Banks, assistant cashier, and Peter J. Mayer, assistant cashier

DIRECTORS RETAINED

All members of the board of directors and the advisory board also were re-elected at the stockholders' meeting yesterday.

The board of directors includes Ackerman, Brunner, John H. Ashbaugh, James Bailey, Donald S. Black, Arthur E. Courtney, Avery C. Hand, Lewis F. Hartman, Avery C. Hand, jr., Wilfred J. Spreng, Carl H. Stander, George W. Stephens, Rufus A Tracy and William F. Voegele.

Members of the advisory board are C. C. Beelman, W. J. Bissman, B. Franklin Bissman, F. G. Black, E. H. Brown, A. J. Burkhart, C. B. Bushnell, Hiram S. Caldwell, J. G. Courtney, C. H. Henkel, J. M. Hill, Charles Hoffman, C. H. Huston, R. E. Hutchison, R. A. Kern, W. P. Leyland, Ralph Lutz, G. A. Mead, L. J. Ott, A. F. Porter, Ben Shaffer, T. R. Sammons, George H. Smith, E. E. Stevens, R. L. Walker, Philip Wappner, Julius Weber, and H. H. Young.

Officers of the Citizens National Bank and Trust company also were re-elected yesterday, but a report of the meeting was not available at noon today.

STEEL OFFICIAL DIES

CLEVELAND, — (AP) — Lee Dale Mercer, 74, long an official of the Republic steel corp. and its predecessor companies, died yesterday at his home in Cleveland Heights.

Pedestrian Hit By Car

Louis DiGregorio Suffers Injuries

A 67-year-old Johns avenue man was injured early today when struck by a car while crossing an alley near the city water department's North Main street pumping station.

Admitted to General hospital where his condition was reported as "fair" at noon was Louis DiGregorio, 652 Johns avenue. Police said DiGregorio suffered rib and hip injuries.

Officers said the pedestrian was struck by a car driven by Robert E. Durkee, Mansfield, R. D. 1, at 5:40 a. m.

Durkee told police he turned into the alley beside the pumping station and failed to see the pedestrian due to the darkness and the absence of street lights. He added that the icy pavement prevented him from stopping after he saw DiGregorio.

Two motorists escaped injury at 5 p. m. yesterday in a spectacular accident involving a semi-tractor trailer and two cars on the Bowman street road.

State highway patrolmen who aided sheriff's deputies in the investigation of the mishap, said Danville Tackett, 27, of Mansfield, R. D. 2, turned out of Henry street onto Bowman road and into the path of a truck, driven by John Fickter, St. Louis, Mo.

Tackett was held on investigation today in county jail in connection with the accident.

Miracle Or Mishap?

Tragic Accident Proves Boon to Child

ALBANY, Cal. — (U.P.) — Six-year-old Mary Ann McMahon, crippled since birth, made a trip to the shrine of St. Bernadette in Lourdes, France, recently and prayed for the use of her legs.

Today it appeared that her prayer may be answered.

Dr. and Mrs. Robert T. McMahon, the girl's parents, said the little blond child had regained the partial use of her legs by virtue of a "fortunate accident."

Soon after her return from Lourdes the girl fell off her tricycle and broke her left leg just below the knee. What appeared to be a tragedy at the time turned out to be a blessing, for doctors set the leg straight and thereby made it stronger.

Now, Mary Ann can walk short distances without help.

McMahon said the next step would be an operation on her right leg, in the hopes that it too may be strengthened and straightened.

Her father explained that Mary Ann was born without any fibula—a bone between the knee and the ankle. Prior to her "accident" she was unable to walk without heavy plaster casts on her legs.

The McMahons said that although the child had been to many specialists none had advised breaking the legs.

"We had been planning to make the trek to Lourdes ever since Mary was born," Mrs. McMahon said. "Then we saw an article that Father James Cox of Pittsburgh, Pa., was going to lead a pilgrimage, so we decided to go right then. I think it was wonderful that Mary Ann was able to make the trip and she really is going to be fine."

Asked if she could attribute the cure to the trip to the shrine of St. Bernadette, Mrs. McMahon said, "Well, it's all a matter of what people want to believe. Some say yes, some say no. It all depends on whether you have faith or not."

Lady Takes $6,000 Nap In Theater

CLEVELAND — (AP) — She dozed in a movie theater yesterday, said Mrs. Hazel Albright to police, and when she awakened, more than $6,000 was gone from her purse.

She told Detective Arthur Gerding the missing money was what remained of $9,000 she withdrew last February from a Pittsburgh bank, following the sale of her home there.

"It isn't that I distrust banks," she said. "I don't know why I didn't put it in the bank. Time and time again I was going to put it in one."

'Get-Tough' Policy Seen For British

Bevin Demands Arab Arming

LONDON — (INS) — Reliable sources said Foreign Secretary Ernest Bevin is demanding British cabinet approval of arms shipments to Arab states in a new "get-tough - with-Israel" policy.

These sources said Bevin will quit unless today's full-dress cabinet meeting endorses his middle-east program.

Bevin was said to be ready to stake his political future on his insistence that the cabinet put Britain's obligations to the United Nations in second place to her obligations under mutual defense pacts to Egypt, Trans-Jordan and Iraq.

The demand was viewed as likely to precipitate an explosive debate among the members of the Labor government. But observers predicted that Bevin, with the backing of Prime Minister Clement Attlee, will probably win out.

Sources close to the foreign secretary said his "patience is worn out" by what he regards as Israeli violations of Security council decisions.

He was described as feeling that Britain's treaties with Arab states must take precedence over obligations to the United Nations.

But Bevin's critics within the cabinet were said to be equally firm in their demand that Britain abide by the U. N. charter.

As a first step in the "get-tough" policy, Bevin is said to want to supply arms to the Arab states. He had argued that the embargo on arms shipments ordered by the U. N. aids only Israel, because, he says, the Jews are amply supplied with munitions from Czechoslovakian sources.

Victim Seeks Scout After 'Good Deed'

COLUMBUS — (UP) — Samuel McKain would like to have a talk with a certain boy scout today.

The scout called a doctor after I Kain was hit by a bicycle last night. McKain suffered a cut eye and possible fractures.

McKain said he would like to thank the boy for his good deed in calling the doctor. He also would like to talk with the youth about another matter.

The boy scout, police said, was riding the bicycle that hit McKain.

Rescuers Save Trapped Miner

WINDBER, PA., — (UP) — A coal miner trapped beneath 25 tons of rock for 14 hours was rescued today and a doctor said he "couldn't understand how the man kept alive."

A rescue team, working with utmost caution, removed the fall that was crushing life from William Wallace, 27, rock by rock as he pleaded with them to "get this weight off me."

He was removed from the Cairnbrook (Pa.) mine of the Loyalhanna Coal company shortly after midnight and taken to Windber hospital where his condition was reported "very critical." He suffered extreme shock.

Police, Firemen Cut Due

170 Others To Get Raises

By SHELDON BINN

City council's finance committee last night paved the way for salary increases ranging from $10 to $20 for 170 municipal employes.

At the same time, the committee, in effect, slashed the city's 85 police and firemen's salaries an average of $50 a month.

The action came as the finance and salary committees whipped the 1949 appropriation measure into shape for consideration by council as a whole tomorrow night.

The ordinance was upped to a record $1,366,626, approximately $34,000 above the tentative figure set at the first finance committee meeting last week.

Although exact figures will not be available until the new salary ordinance is drawn up (perhaps in time for tomorrow's meeting) most city employes will get raises of about $10 a month.

The police and firemen, while taking sharp reductions in the salary schedule as set up in the initiated ordinance passed by the voters on Nov. 2, will get raises averaging $20 above the old 1948 salary ordinance figure.

GENERAL FUND HIT

An indication of how hard-pressed the committee was to find money for the increases is seen in the fact that the raises in three of the departments, normally self-sustaining, were taken from the general fund.

A breakdown of the figures shows that $3,540 was provided for raises for approximately 36 street department workers.

Four thousand dollars was provided for raises for approximately 31 garbage department employes and $3,024 for approximately 39 water department employes, all money coming from the general fund, rather than the normal sources of income.

Only the sanitary sewer department was able to pay its own wage boosts. Council set $2,850 aside for the purpose.

Other large sums added for raises include $11,820 for the 43 fire department men and the electrician, and $11,820 for the police department.

An additional $1,500 will be added later for the health and park departments after the two commissions set up a pay scale for 1949.

WATER FUND PARED

The first problem solved by the committee was the paring of $16,000 from the water department, bringing it down to approximately $403,000, the expected monies to be available in 1949.

This was accomplished by cutting $11,000 previously set up for laborers, and $2,000 earmarked for new water main and water main repairs. In effect, the number of employes was reduced.

The other $3,000 was obtained by cutting out money previously earmarked for a new water line on Longview avenue.

This cut is likely to start some vigorous arguments, especially inasmuch as during a fire at the Martin Steel Products company last year, the fire department's efforts were hampered because it couldn't get sufficient pressure from the existing water lines.

The committee slashed $5,600 from the garbage department payroll fund to bring it down to $87,100, or the amount expected in revenue. This cuts the number of workers.

Four thousand dollars was taken from the park department. The money had been earmarked for blacktopping Maple Lake and Liberty park tennis courts.

Present at the meeting were Fred Miller and Clifford Knarr of the finance committee, Harry Bowman and Michael Mihalick, of the salary committee, Mayor Roy W. Vaughn and Service-Safety Director Earl T. Garrison.

Hail Co-Axial Link As Aid to Unity

CHICAGO —(U.P.)— The new co-axial cable network linking the Atlantic coast and the Mississippi valley by television was hailed today as an important step in preserving national unity.

The last gap in the network was closed last night, hooking television stations in 15 eastern and midwestern cities onto a single wire loop.

Claim 'Tough' Kids Are Only Confused

COLUMBUS—(AP)—The toughest kids in Ohio walk into the State Bureau of Juvenile Research—but to the people who greet them they are only "confused children."

"There aren't any bad kids," Dr. Maurice Newburger, executive psychologist at the bureau, observed. "But there are an awful lot who are badly confused."

It's the bureau's job to find out what confuses them, why they don't tick like normal youngsters. Some of them are thieves and truants, others are "bad girls"—one or two might be slayers.

They are sent to Columbus by courts and welfare organizations from all over the state. Their records generally are marked "incorrigible," too tough to handle.

"We don't find them very unmanageable, though," Dr. Newburger smiled. "We try to give them a little confidence in us, make them trust us, and after a few days they generally do."

Youngsters at the bureau, usually from 8 to 18 years old, are kept under observation for about 90 days. Then they are sent back to the court on authority responsible for them, together with a report on their mental kinks and suggestions for ironing them out.

"We just advise here," Dr. Newburger explained. "Sometimes whatever is the matter with children sent us just doesn't show up here—and yet when the kids go back home it pops out again. Those kids just didn't respond to our program."

The bureau is set up by law only to examine its charges. The short time they are there makes it impossible to give them any correctional treatment.

"We like to think we are correcting them while we study them, though," Dr. Newburger said. "They are under observation all the time they are here. But they don't know it and many of them are finding out what normal group existence is like for the first time in their lives."

The expense of keeping the youngsters, clothing them, feeding them and giving them occasional entertainment, is borne by the state welfare department.

"It doesn't cost the agencies who send them here a penny," Dr. Newburger explained. "Not only do we examine youngsters for them free of charge, we also care for them for nothing while they are here."

All children at the bureau are given the same treatment—no matter what their original offense was.

When they arrive they are turned over to a psychologist, who talks to them and maps out the type of program they are most likely to respond to.

"They all must be handled differently," Dr. Newburger commented. "Each has his own particular program."

"Sometimes we have to regear their school programs. We place them in grades equal to their ability. Some have been advanced in school too quickly, others have been kept behind unnecessarily."

Educational facilities at the bureau run up to the 12th grade of high school. Classes are held in light, cheerful rooms that look more like studies in private homes than rooms in an institution.

While the youngsters study they are observed and reported on. When they play in the large school yard or work in the bureau's well-equipped carpentry shop, trained staff members keep a check on their attitude and mannerisms.

Psychologists have frequent talks with their charges and a progressive report is kept of their observations. When information on a child is complete, a staff conference is called and opinions are pooled. Then the bureau writes a confidential report for whatever authority has custody of the youngster.

Easement Hearing Set

Hearing before a jury to assess compensation for an easement on land at the rear of 302 Orange street has been set for Saturday morning in common pleas court.

The city of Mansfield has petitioned for the easement to lay a 42-inch storm sewer on land occupied by the Builders Supply company. The city filed the petition against the Jacob Wolf company, owner of the land, and the building supply company, occupant.

Council passed an ordinance authorizing construction of the sewer and obtaining easements on the right-of-way. A nine-foot strip passing through the building supply company's storage space is sought to complete the right-of-way.

H. E. Hart, manager of the Builders Supply company, refused granting an easement on grounds that his firm's operations would be disrupted during construction of the sewer. Hart said construction would stop movements of his trucks and cut into his available storage space.

Scout Official Talks To Loudonville Group

H. K. Day, deputy Scout commissioner of the Mansfield area, addressed the Loudonville Junior Chamber of Commerce Moday night on Cub scouting and its advantages to youngsters who will eventually become regular Scouts.

Loudonville already has a Scout troop, and the Junior Chamber of Commerce is sponsoring a new Cub pack.

YWCA Mothers Club To Meet Wednesday

The YWCA Mothers club will meet at the "Y" at 3 p. m. Wednesday. Mrs. Burr Hathaway will be in charge of the discussion period.

All mothers of members of Y-teen groups are invited to attend the meeting.

Dr. Damron Heads Group

Dr. C. R. Damron has been named head of the medical advisory committee to confer with Red Cross officials on the National Blood Donor program which will hold its initial receiving program here next Monday and Tuesday.

The group which Dr. Damron heads also assists in supervision of the blood bank at General hospital.

Serving with Dr. Damron are Dr. W. E. Wygant, Dr. Philmour Bein, Dr. J. H. King, Dr. J. J. Clark and Dr. Elmer Jackson.

As members of the Richland County Medical Society, these committee members and other city and county physicians have given their unqualified endorsement to the proposed National Red Cross blood donor urogram.

"It has been known for a long time that blood was essential for life," Dr. Damron said, "but the knowledge that blood from healthy men and women could eliminate pain and suffering in unhealthy ones when transfused was not known until recently."

Next Monday when the Bloodmobile comes to Mansfield from Columbus, the five nurses and the physician accompanying the unit, will begin taking blood at 10 a. m. They will continue until 4 p. m., with five doners each 15 minutes.

"Because of the close schedule, we are asking that everyone who has signed up and been assigned a time, keep their appointments promptly," Mrs. Stuart Weaver said today.

Nurses' Group Will Elect New Officers

The board of directors of the Mansfield Visiting Nurse association will hold its semi-annual meeting in the court room on the third floor of the City building at 7:30 p. m. Monday.

New officers will be elected at the meeting and annual reports submitted. There also will be installation of new members.

Dr. Harry Wain, city-county health commissioner will be the guest speaker. His topic will be "Public Health."

The meeting is open to the public.

Story of Gas Told In Film

The story of discovery and development of natural gas, as portrayed in a motion picture, "The Eternal Flame," entertained Rotarians at their weekly meeting, held yesterday at the Mansfield-Leland hotel.

Progress in methods of drilling wells, distributing and storing natural gas was shown in the colored picture, with sound, and an idea given of the difficulties encountered in adjusting the supply to changing weather conditions.

Glenn K. Schooler, local manager of the Ohio Fuel Gas company, was program chairman of the meeting.

Firm Shows Assets Gain

The assets of the Richland Insurance company, Mansfield's oldest corporation, have increased during the past year until they are close to the $1,000,000 mark, it was reported at the firm's annual meeting.

Both cash asset and premium volume increased during 1948. Since the company was founded 99 years ago nearly $3,500,000 has been paid for losses, and approximately $250,000 in dividends.

E. W. Dann, who will be 80 years old next week, and has been with the company 47 years, was re-elected president.

Other officers re-elected were H. S. Caldwell, vice president, E Ray Jenkins, secretary-treasurer, and Max S. Landis, assistant secretary-treasurer.

NAMED TO POST

Appointment of I. Frank Brownson, 438 Edgewood road, as manager of major appliances, a new post at Westinghouse, was announced yesterday by T. J. Newcomb, division sales manager. Brownson has been manager of the laundry equipment department.

GALION—All officers and directors were re-elected at the annual meeting of stockholders of the First National Bank, Tuesday afternoon. An exceptionally prosperous year was reported.

Fire Damages Coal Lot Shed

Firemen from Central and No. 2 stations extinguished a shed fire at the Kallmerten and Baer coal lot, 77 East Fifth street, Monday night before the fire gained headway into supplies.

Called to the scene at 9:37 p. m., firemen found a small shed blazing. Firemen extinguished the fire before more than slight damage had been caused. The shed was used for a shelter. Cause of the blaze was undetermined.

Earlier "no damage" calls came at 7:05 p. m. when No. 2 firemen were called to the home of Paul Zellner, 87 Home avenue, where a chimney was burning out, and at 7:55 p m to the home of Charles Schmidt, rear 334 Park avenue west, where a shorted iron cord had burned off.

Substitute Stars As Millersburg 5 Wins In Overtime

MILLERSBURG — Bill Shonk, an unheralded member of the reserve team, scored seven points in a pair of overtime periods to pace Millersburg high school to a 50-to-42 victory over Glenmont.

Glenmont rallied for three quarters to tie the game at 37-37. Each team made three points in the first overtime while Millersburg outscored the visitors, 10 to 2, in the second extra three minutes.

Shonk also scored seven points in Millersburg's 39-15 reserve victory.

American Racers Win 6-Day Test

CLEVELAND — (AP) — A pair of sprint specialists, Cecil Yates of Chicago and Charlie Bergna of Paterson, N. J., closed with a rush last night to win the six-day bike race.

It was the same team which placed second the last time the whirl was held here about a year ago. Yates, who is 34 and an air force veteran, has competed in more than 100 races and this was the 20th time he was on the winning pair Bergna, 30, had two firsts and several seconds in his record when he entered here

Nine Cagers Tally Points For Winners

NEW LONDON — Putting on their best shooting clothes of the season, the Mansfield Madison Rams romped to a 55-to-37 victory over New London here last night.

JES JE

Coach Blaine Dowler's Rams connected 22 times from the court for a shooting percentage of .372. Dowler used 11 players to gain his fifth victory in seven games. Nine of the Ram cagers broke into the scoring column with five of them getting eight or more points.

BADER TOPS RAMS

Forward Ray "Dutch" Bader topped the well-balanced Madison attack with 10 points, although John Jetter and Captain White had 12 and 11 for the losing aggregation. Dowler used his regular center, Joe Distl, for less than three minutes to allow an injured back more time to mend.

Gene Riblet, subbing for Distl, came through with eight points.

A hot streak in the second quarter gave New London its only lead. Jim Brightbill and Bader sent the Rams away to a four-point lead at the outset and Madison held a 13-to-8 advantage at the quarter. Then Coach Bob Brownson's Wildcats began to roll. They scored eight straight points to take a three-counter lead.

LEAD CHANGING

Brightbill and Bader each hit a free throw and Riblet a fielder to return the lead to the visitors. The six-foot, four-inch Jetter then hit from the court but Larry Secrist came through with two points to put Madison back in the van.

Jetter knotted the score at 19-19 but Russ Glenn, Riblet and Secrist hit quick baskets to send the Rams in front for good. Madison led at the half, 27 to 23 and at the three-quarter mark, 39 to 27.

Brightbill ran his string of free throws to 14 straight before he missed one in the first quarter. Madison entertains Loudonville Friday.

CUBS TAKE SECOND

Coach Ennis Walkers Ram cubs copped their second straight victory in the opener, defeating the New London reserves, 22 to 17.

The lead changed hands five times before Madison poured on the coal in the last four minutes. The Rams led at the quarter, 6 to 3, but trailed at halftime, 8 to 9. The tally was knotted 11-11 as the final period opened.

Ross, New London sub, was the leading scorer with 12 points.

Bucyrus Redmen 'Scalp' Shelby Cagers, 62 to 39

BUCYRUS—The Bucyrus Redmen gained revenge for their only defeat of the 1948-49 basketball season here last night by pummeling Shelby, 62 to 39, in a non-league game.

In an earlier Northern Ohio league skirmish, Shelby nipped the Redmen, 40 to 39. Shelby leads the NCL with three wins while Bucyrus has six and one for the season.

Coach Al Pesek's Bucyrus quintet rode into a 14-to-6 lead in the first quarter and was in front at the other intermission points, 29 to 15 and 44 and 25.

LITTLE GUY SCORES

Don Widman, a little fellow as far as basketballers go, dumped in nine field goals and one free throw for Bucyrus but he had to surrender scoring honors to Dick Utz, 6-3 Shelby forward, who had 21 points. Widman, a 5-7 senior, weighs only 135 pounds. Utz connected on 13 of 15 gratis tosses.

Shelby salvaged the reserve encounter, 28 to 15

New York Yanks Sign Up Poole

NEW YORK —(UP)— The New York Yankees, ignoring reports that they are ready to pull out of the all-America football conference, said today that they have reached a verbal agreement with star end George (Barney) Poole of the University of Mississippi.

The Yankees said that the 25-year-old ace pass catcher has agreed to sign a three-year contract calling for about $40,000 as soon as the collegiate baseball season is over at Ole Miss

Cincy Grid Staff Tinged By Redskins

CINCINNATI—(AP)—The football coaching staff at the University of Cincinnati had a Redskin tinge today.

Two years ago Sid Gillman, George Blackburn and Joe Madro were guiding the gridiron strategy of the Miami university Redskins. Today, they make up the UC coaching staff, with Gillman as head man.

The exodus from Miami to Cincinnati was disclosed officially yesterday when M. Charles Mileham, UC athletic director, announced that Blackburn, head coach at Miami, and Madro, his assistant, would be signed as Gillman's assistants, effective Jan. 15. Gillman took the job as UC mentor several weeks ago after spending a year as line coach of Army.

BIG GRID 'RAID'

The acquisition of Blackburn and Madro strained relations between the two Mid-American conference teams, one Redskin official making use of the word "raid" in describing the action.

The Cincinnati Enquirer said Gillman "staged a successful raid yesterday."

C. Vivian Anderson of Cincinnati, president of the Miami board of trustees, who first disclosed that Blackburn and Madro were leaving the Oxford, O., school, told newsmen:

"I am sure Miami university would not raid another institution with which it has been in friendly athletic relations for more than a half-century."

WANT TO CANCEL

Expressing belief that the whole affair would "blow over," Anderson said, however, he had received calls from "Miami people urging that we cancel the Thanksgiving day football game." The game is an annual affair here.

Gillman said that Bill Schwarberg, one of three assistants under his predecessor, Ray Nolting, would be the only one retained in his setup.

Mileham told newsmen that Nolting's two other assistants, George Smith and Bud Bonar, would retain their faculty jobs as physical education instructors. However, Bonar announced later his intention of resigning immediately.

Ring Scribes Honor a Pair

NEW YORK —(AP)— Ike Williams of Trenton, N. J., world lightweight champion, and Daniel F. (Dumb Dan) Morgan, former fight manager, will be honored tonight at the tenth annual dinner of the Boxing Writers association of New York.

Williams will receive the Edward J. Neil Memorial plaque as the outstanding boxer of 1948.

Williams also will be awarded the ring magazine's annual award for the fighter of the year.

The 75-year-old Morgan will receive the James J. Walker merit award for service to the sport over a long period of years.

Another X-Ray

CLEVELAND — (AP) — Pitcher Don Black of the Cleveland Indians got ready today for another head X-ray at St. Vincent Charity hospital. Still hopeful of returning to the diamond, he admitted he'd convalesce a while longer before deciding whether or not to try.

Small Pin Leagues Hit Lane Spotlight

Two of the smaller leagues hit the bowling spotlight last night as one bowler from each carved his name on the honor roll list.

W. White of the Westinghouse "C" circuit was the top man with 149-243-221—613, while C. Hughes of the Elks loop was not far behind with 199-196-215—610.

J. Stevens was runnerup among the Elks with a 211 single game and 589 series. Art Hilborn and Don Dancer were next in line with 553 while Lou Piller had 540, C. Rupp, 534, and D. Treisch, 533.

In the Westinghouse C loop, R. Page took the second spot honors with 564. C. Mikesell had 558; L. Spring, 557; P. Woodard, 542, and Lou Tridico, 537.

★

A 212-184-190—586 by Barney Mahoney sr. took the No. 1 spot in the Mansfield Tire league. Art Lindbeck had the best single game, 231, but his 573 series good enough only for runnerup.

Other good scores turned in by the Tiremen included: Chuck McMullen, 558; H. Stockwell, 557; Kenny Windsor, 546; J. Schmidt, 545; Ed Cirvinski, 539; and J. Gross, 528.

★

Paul Kurtz of the Teamsters rolled 175-222-166—563 to lead the Transportation league both in the single game column and the tie team-mate Gene Luedy for series honors. Luedy had 192-169-202.

Motor Cargo's George Percy followed with 547, Andy Bessler of Teamsters, 540 and Tony Augustine of Commercial Motors, 537.

★

Lou Faiello of Ritz Nite Club, was king-pin in the Richland C league with a 224-190-155—569 series. F. Black was runnerup with 553 while Bob Littler of Culp Jewelers had 543, and P. Nollert of the Ritz, 519. M. Pahls with 511 was the only other "C" leaguer to hit the 500 mark.

★

A 162-132-133—427 by Sophie Metz led the Westernghouse girls' league. Only two others went over the 400 mark as Ruth Metzger rolled 418 and Grace Chronister 417. All three of the leaders rolled for the same team.

Third Quarter Splurge Wins For Crestline

CRESTLINE — Crestline high school built up a big lead in the third quarter to defeat Galion in a non-league basketball game here last night, 49 to 45. Both clubs are members of the Northern Ohio league.

The first half was close all the way, with the Galion Tigers taking a 14-to-12 advantage at the quarter and leading at the half, 26 to 25. Crestline swept into a 41-to-35 lead at the three-quarter mark and never relinquished it.

Galion connected only 14 times from the court but made good on 17 free throws. Scoring honors went to John Johnson, Crestline center, who had 21. Ray Seif, Galion soph., came through with 17. It was Crestline's third win in six games.

Galion won the reserve game, 39 to 22.

Methodist 5 Wins Fifth In Church Loop

First Methodst clinched a tie for the first round championship in the Senior church league at the YMCA last night by defeating St. Matthew's, 23 to 15.

St. Matthew's had been tied with Park Avenue Baptist for second place but dropped into third. It was the fifth straight victory for the Methodists.

In other games, Lucas Lutheran rallied in the fourth quarter to nip First Christian, 31 to 29 and Ontario Community wrecked United Brethren, 32 to 9. Les McNeeley of Lucas led the scorers with 13 points.

Appleseeders Play Jackets

Johnny Appleseed junior high will be out to snap a three-game losing streak when it is host to the Mt. Vernon Yellow Jacket reserves tomorrow afternoon. Appleseed eighth graders and Mt. Vernon second stringers will meet in a preliminary at 4 p. m.

Appleseed has won only two of five games, defeating Union and Ontario reserves while losing to Mt. Vernon, Shelby, and Madison. Mt. Vernon won the first meeting of the two by a 40-29 score.

Kentuckians Nip BeeGee By 2 Points

The University of Kentucky's national championship basketball team made an excursion into Ohio last night to meet a scrappy Bowling Green five—and barely edged out a 63 to 61 victory.

It was the feature game on a double-header program at the Cleveland Arena. It was seen by 13,115 fans, most to witness a basketball game in Cleveland.

Earlier, they saw undefeated Akron university roll on to its 10th consecutive victory by downing Fenn college, 83 to 49.

The lead in the Kentucky-Bowling Green game changed hands 15 times and the count was tied on 11 occasions.

RALLY AT FINISH

With five minutes remaining, Kentucky had a five-point edge, 61-56. Emerson Speicher counted a basket and free throw to bring the Falcons within two points. Jimmy Line scored for Kentucky to widen the margin again, 63-59.

Then Bowling Green Guard Bob Long hooked a basket to cut the Kentucky edge to two points, with a minute to go. But the southern club controlled the ball for the rest of the game.

Ralph Beard, who led the Wildcats with 20 points, put Kentucky ahead to stay midway through the last quarter.

Although the Falcons lost the game, they salvaged individual scoring honors—Charlie Share accounting for 25 markers.

Wallace "Wah Wah" Jones had 14 for the victors and big Alex Groza 11.

Bellville Surprises Lexington, 48 to 25

BELLVILLE—An inspired Bellville high school basketball team put on a terrific second half scoring spree here last night to upset its arch-rival, Lexington, 48-25.

The loss all but knocked the Minutemen from the Richland county league race as they dropped to two-and-a-half games behind league-leading Ontario, with only six to play. Bellville remains one game ahead of "Lex."

A fast-passing offense and fine defensive work by Jim Fry, Will Walker and Jack Stevens turned what was expected to be a nip-and-tuck battle into a runaway. The trio combined in man-to-man offense to hold Lexington's leading scorers, Dick Dill and Duane Wirick to a single field goal. Dill scored off Fry in the first few seconds of the game and Wirick was never able to hit the basket.

REVERSE DECISION

Lexington had won 47-45 in the first meeting of the two teams this year.

Bellville outscored its opponents 11-6 in the first quarter last night but led only 20-15 at half-time. In the third quarter, however, the Blue Jays wrapped things up with an 11-point splurge while holding the visitors to one free throw.

Butler Blasts Union, 46-26

BUTLER — Exhibiting a tight man-for-man defense after the first quarter, Butler smashed Union in a Richland County Basketball league game here last night, 46 to 26. It was the third straight win for Coach Vern Chaney's Bulldogs.

Union pulled away to a 11-9 lead in the first heat as Forrest Pruner connected for four of his five field goals. The Union club was held to seven points in the next two quarters and fell out of contention. Butler led at the other intermission points, 20 to 14 and 36 to 18.

Dick Titlow, 5-11 Butler center, was the big scoring gun with seven fielders and three fouls for 17 points. Butler also ran away with the reserve game, 37 to 13, as Charles Bernard counted 13 points.

Stephenson's Baskets Win

PLYMOUTH — Two last-minute field goals by Jack Stephenson climaxed an uphill fight that spelled a 56-53 victory for Lucas over Plymouth here last night.

Stephenson collected a total of 24 points to lead his team in a second half comeback which overcame a 34-19 Plymouth half-time lead. Lucas outscored the home team 21-4 in the third period but fell behind again in the fourth quarter.

With the score standing 54-53 for Plymouth, Stephenson took command to put his team back in the van.

Lucas also won the reserve game 28-17.

Ontario Wins 7th In County

SHILOH—Twelve men broke into the Ontario scoring column here last night as the Richland county league-leaders doubled the score on little Shiloh, 72-36. It was the seventh straight league win for the warriors.

Coach Dick Casad cleared his bench early in the game to give all his charges an opporunity to play. Howard Sunnucks, the county's leading scorer, scored only 14 points as he saw little service. Ontario also won the reserve game 37-22 after leading 25-10 at the half.

Cleveland Signs 'Vet' Hank Gowdy

CLEVELAND —(AP)— Cleveland Indians today said they have signed Hank Gowdy, former New York Giants coach, as an assistant in their farm system.

He will serve as a "trouble shooter," traveling among the Tribe's 16 farm clubs to assist in ironing out various problems, an Indian spokesman said.

A 59-year-old veteran of 41 years in baseball, Gowdy will start off his work at Marianna, Fla., where the Indians will open a six week training camp on March 14 for 12 farm clubs.

20 Hurt In Derailment

GROVELAND, Fla. — (INS) — Twenty persons were reported recovering today from injuries received in the derailment of the Seaboard Air Lines northbound "Orange Blossom Special" southwest of Groveland.

Most seriously hurt when the SAL's crack Florida-to-New York train jumped the tracks was John McCloud of Elmira, N. Y., but extent of his injuries was not determined.

The accident was the second in two days for the "Orange Blossom Special." It left the rails at Milford, Va., Monday and caused injuries to more than 20 persons.

Six Pullman cars, two diners and a baggage car jumped the tracks, wrecked a trestle and toppled piles of crossties. The four rear cars remains upright.

Files Suit For $11,425

A damage suit for $11,425 has been filed in common pleas court by Robert J. Sutter, Shelby, R. D. 2, against Charles K. Lamb, of Marion.

Sutter seeks $10,000 for physical injuries and nervous shock and $1,425 for damage to his automobile resulting from a highway accident last summer on U. S. Route 30-N three miles west of Mansfield.

According to Sutter's petition, he slowed down for a car making a right turn and the car was struck from the rear by an auto owned by Lamb. The impact threw him into the path of an oncoming truck and the resulting collision was the cause of his injuries and wreckage of the car, his petition says.

Ex-Distance Runner Dies

BRANTFORD, Ont.—(AP)—Tom Longboat, the lanky Onondaga Indian, was buried yesterday not far from the reservation where he began his career as a fabulous distance runner. He was laid to rest to the tribal chant of Iroquois funeral rites.

The end came Sunday after a long illness to the 62-year-old marathon star whose powerful-muscled legs brought him fame and fortune.

He was called the "greatest distance runner of them all" in the hey-day of his career 40 years ago. He left behind many rich legends. He won the Boston marathon in 1907, ran in the Olympics in 1908.

National 'Bike' Races Set Again

DAYTONA BEACH, Fla. — (INS)— National motorcycle races will be held at Daytona Beach this year despite some adverse reaction by local citizens in 1948.

Racing Promotor Bill France announced that the races will be held on the famous beach-road course March 12-13, under sanction of the American Motorcycle association.

No Snow Hurting Sport Industry

BOSTON —(AP)— Winter sports, a multi-million dollar business in New England, is taking more than a $4,000,000 licking as of today. The reason: no snow.

While snow piles up in California and blizzards rake the Northwest, the 1,500 miles of ski trails that furrow down northern hillsides are as bare as Mother Hubbard's you-know-what.

CLEVELAND — (AP) — Hot dogs and beer will cost a nickel more at Cleveland's lakefront stadium next baseball season, city law director Lee C. Howley said today.

That was the result of a settlement of a two-year court fight between the city and the Cleveland Concession company. Hot dogs will be 20 cents; beer 25 cents a bottle.

Famed Tuberculosis Hospital Began Because of a Mistake

NEW YORK — (AP) — A famous tuberculosis hospital, entering its 50th year this month grew out of a mistake.

It is the National Jewish hospital in Denver, the first free, non-sectarian hospital in this country for the tuberculous needy. Its first patient in January 1899 was a young Catholic girl. Since then it has treated 40,000 patients, all without charge, and has been at the forefront in research on TB and care of patients.

It also has grown into a truly national organization, with central offices in New York City, and Chicago.

But it might never have started except for one mistake.

This error was the popular belief that a change of climate itself would cure the white plague. and particularly that a trip west was the best thing. Actually, a change of climate may help. But that alone is not enough, and won't cure the tuberculous patient. Primarily, he needs a complete rest. Today much of the treatment is surgical and medical, demanding skilled, adequate nursing and medical care. This is found more in or near big cities.

But in the late 1800's, the idea that a high dry climate was a touchstone for curing TB was widespread. It became a lure that pulled hundreds of persons westward, by train, by mule, by wagon, even afoot.

, Denver was one mecca. But once there, most of the TB victims couldn't support themselves. Or at least they couldn't make a living and get the vital rest they needed.

They flooded into Denver in such numbers that public spirited citizens took action to start a hospital. It was opened in 1899 with cooperation of B'nai B'rith, the national Jewish fraternal organization.

Its motto is "none may enter who can pay—none can pay who enter." In 50 years the hospital has given more than 3,000,000 days of free patient care to persons of all faiths from throughout the United States. Forty per cent of the patients come from New York City, the headquarters here reports. More than 60 per cent of the patients treated are of the christian faith.

About eight out of 10 of the patients leave the hospital either cured or materially recovered.

HERE is a pleasant little game that will give you a message every day It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4 If the number is less than 6, add 3. The result is your key number Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Notice how his claws extend? How they dig in when the going gets tough? Nature has fixed Tabby up with the double protection of *Pena-Traction* . . . non-skid pads for normal use . . . strong, penetrating claws for emergencies.

The miraculous, new safety tread, *Pena-Tread*, gives the extra protection of *Pena-Traction* to your car. *Pena-Tread* offers normal tire traction plus the penetrating power of more than 2,000 steel spurs ready to dig in when the going gets tough.

All year 'round—on slick ice, snow or greasy blacktop—you'll want a car "sure-footed-as-a-cat" and "quiet as a kitten" (no annoying clatter of chains). Drop in to see *Pena-Tread* today!

MG Official Faces Probe On Loyalty

Clay's Assistant Recalled to U. S.

FRANKFURT — (INS) — The U.S. military government announced yesterday that one of its top-ranking liaison officials is being returned to the United States to face a hearing under a war department regulation covering possible disloyalty.

He is Sam L. Wahrhaftig of Brooklyn, N.Y., one of military govenor Gen. Lucinus D. Clay's most important field representatives.

It was announced that action is being taken under a paragraph of war department circular no. 100 which covers discharges from duty "in the interests of national security."

Wahrhaftig, who served as political contact man with western German politicians, has not been told just what charges he faces.

But he told International News Service:

"I have never belonged to the communist party or any of its stooge organizations."

Wahrhaftig for a long time was based with the German Constituent assembly at Bonn, where he served as Gen. Clay's "eyes and ears."

He was informed officially on Friday that he would be returned to the United States.

The official, whose job was the intricate task of analyzing trends in German politics through contacts with extreme right and left-wingers, said he would have to see the full charges on his arrival in Washington before making any extended comment.

Girl Scouts Mark Sixth Anniversary

Twelve members of Girl Scout Troop 6 and their mothers celebrated the sixth anniversary of the troop at a party at the home of their leader, Mrs. E. L. Becker, 130 Vennum avenue, Monday.

The girls served cake, coffee, and tea to their mothers. Mariann Davison and Karen Davis served the cake, and Carol Schad and Nanette Weigand poured.

Following the party the girls made plans for the troop's trip to Chicago next summer.

Burglars Loot Tavern Juke Box

A juke box in the Tavernett, 721 Bowman street, was rifled early Monday, the owner, Joe Pettres, reported to the sheriff's office yesterday. Pettres was unable to estimate the amount of money taken from the box.

Pettres said the burglars, who broke in through a rear window, also tampered with a cigaret machine, but were unable to get into the cash box.

Social Security Tax Boost Plan Gains Bipartisan Support

Dems, GOP Favor OAB Increase

Flood of Bills Follows Speech

WASHINGTON —(U.P.)— Powerful bipartisan support was building up in Congress today in favor of higher social security taxes, increased benefits and expanded coverage.

President Truman recommended all these in his budget message this week, and many members of both parties quickly climbed aboard the bandwagon.

Mr. Truman proposed that social security taxes be increased $1,700,000,000 and that the present one per cent tax be boosted to 1½ per cent July 1.

The President's call for social security revision has been answered by a flood of bills from both Republicans and Democrats. Since revenue-raising measures must originate in the House Ways and Means committee, bills affecting social security have been referred there.

Rep. John D. Dingell (D.-Mich.), one of the Ways and Means committee's top members, is working on a measure which may turn out to represent the administration's views.

Dingell's bill is expected to follow Mr. Truman's recommendation for boosting the social security tax rate July 1 and to call for an increase in the amount of earnings taxable.

Under present law, the one per cent tax is applied only against the first $3,000 of earnings. The 1½ per cent rate would not become effective until Jan. 1 under present law.

Mr. Truman didn't say how far above the present $3,000 limit he would like Congress to go in order to pay for greater benefits. But the figure $4,200 has been mentioned on Capitol Hill.

The present ceiling on benefits under the old age and survivors insurance program is $85. Rep. Robert W. Kearn (R.-N.J.), a member of the Ways and Means committee, proposed that the ceiling be increased to $120. Rep. Thomas J. Lane (D.-Mass.) would make the top $127.50.

Several members of both parties have proposed that the retirement age for women be dropped from the present 65 to 62 or 60. Mr. Truman said benefits for women should be provided "at an earlier age" but didn't spell out the idea.

On the question of expanded coverage, the President said the program "should be extended to nearly all the 25,000,000 gainfully employed persons not now covered."

Driver Hurt In Collision

ASHLAND—A car driver was injured at 11 p. m. yesterday when his auto skidded on the icy U. S. Route 42 pavement two miles west of here and crashed head-on into a semi-trailer truck.

Sheriff M. F. Rickenrod reported that William Hofer, 49, Ashland, was treated at Samaritan hospital here for a fractured right shoulder and cuts after his car had crashed into a truck driven by H. A. Lehman, Akron.

Lehman was uninjured but the truck ran into, and knocked over, a gas pump in front of the Club 42 roadhouse at the accident scene. No charges have been filed as a result of the collision.

Atomic Bombs Hold Seven Different Types of Death

By HOWARD W. BLAKESLEE

NEW YORK — (AP) — Atomic bombs carry seven kinds of death and injury. Three-and-a-half years after the first bomb it is safe to say there are no more kinds.

Five of the death-dealers are in the flash and the first few seconds afterward. The others come later and may hang around for years.

The first is concussion. This atomic blast knocks down nearly all kinds of present-day structures for a mile on all sides. It wrecks them for two miles, and sometimes farther. There is an "if", however. The blast does this if the bomb is exploded well above the tops of the tallest buildings. If it hits on the ground, the concussion won't travel so far.

The second, is heat, millions of degrees in the interior of the bursting bomb. This heat spreads at the speed of light, but thins rapidly.

Third is the radioactive rays. These are instantaneous and come from the flash. There are two kinds, both equally deadly. One is gamma rays, which are the same as X-rays. The other is neutrons.

Fourth is ultra-violet light, in the form of a flash of powerful sun-tan rays. These make bad burns at more than two miles on exposed human flesh.

Fifth is the fireball. This is a ball of white-hot air and other atoms, that forms at the spot where the bomb exploded. It is a miniature sun several hundred yards in diameter and it can burn you badly at a mile away.

The long reach of these perils has been measured in the world's first five atomic bomb explosions.

How much longer will death's arms be in bigger bombs? The answer is, not nearly as much as the increase in power or energy.

After the explosion, you face the sixth peril. This is from transmutation, i.e., the charge from one element to another. The neutrons in the original flash hit billions of atoms on and near the earth's surface. These hits change the atoms into new chemical elements, all of them radioactive.

The neutrons can change some of the gold in your teeth, or the watch or cigarette lighter in your pocket. They can transmute some of the carbon in your body and the phosphorus in your bones and brain. The gold teeth, watch, cigarette case or internal changes are not likely to kill you. But the teeth, watch and case will cause radioactive burns if you carry them for a few days.

The seventh death is speculative. Some authorities declare number seven is really the greatest risk of all.

This risk is the radioactive atoms that rise into the stratosphere, and spread ultimately all over the world.

Nine-Year Space A Blank to Miner

WILKES-BARRE, Pa. —(U.P.)— John Soboleski, 40, an amnesia victim, was back home with his family today after nine years. But he postponed telling his aged mother of his return for fear the shock would kill her.

Soboleski, a former miner, doesn't know what happened to him during the time he was gone. All he can remember is waking up in a railroad station in Houlka, Miss., last Dec. 28.

Cold War Stepped Up

BERLIN — (INS) — A top American military government official disclosed today that the west plans two new moves to intensify its counter-blockade of Soviet-occupied eastern Germany.

The official, Lawrence Wilkinson, economics adviser to Gen. Lucius D. Clay, said the counter-blockade has hit the Russian zone economy so severely, that "morale is at rock bottom."

One measure, he said, will be the strengthening of police efforts to wipe out smuggling from the western area to the east.

He said the second measure will be the institution of a close watch on west German business firms suspected of acting as a "front" for the Soviets. Some, he said, have been shipping west zone goods to Poland and other border countries, from where the goods are immediately rerouted to the Soviet occupation area.

Arrest Bride, Man In Killing

WASHINGTON COURT HOUSE — (AP) — Mahlon Wisecup, 49, of Hillsboro, and his 21-year-old bride awaited return to Highland county today for questioning in the slaying of Wisecup's elderly stepfather.

Wisecup and the Ashland, Ky girl he married Jan. 6—two days after Grant Nichols, 72, had been slain—were taken into custody at a friend's house last night by Fayette County Sheriff Orland Hays.

Sheriff Hays said Wisecup admitted shooting Nichols in "self defense" a week ago and then buried the body beneath the floor of Nichols' cabin 20 miles south of Greenfield.

Treason Arrest Cited

WASHINGTON — (AP) — The Justice department today announced the arrest in Germany of a former state department employe accused of treasonous wartime collaboration with the nazis.

He is Herbert John Burgman, 52, a native of Hokah, Minn., who worked for 20 years in the U. S. embassy in Berlin as a clerk and economic statistician.

The Justice department said when the United States went to war with Germany in 1941, Burgman refused the opportunity to be repatriated to this country and took a job with the German short-wave radio, broadcasting in English to American armed forces.

Department officials said since the war, he has shifted from one job to another in postwar Germany. Under surveillance for some time while his case was being investigated, he has now been picked up by American occupation forces.

The department plans to fly him back to this country later this month when a treason charge against him will be presented to a grand jury at his point of landing.

To date, 24 persons have been indicted for treason to the U. S. in World War II—12 of them for enemy propaganda broadcasts.

From these indictments, 14 convictions have been obtained. Two of the accused persons died in Germany, prior to arrest; three cases were dropped for lack of evidence, and others await trial.

One defendant, Ezra Pound, the one-time noted poet, alleged to have broadcast for the Italian government, is in a mental hospital here following a federal court finding that he was incompetent to stand trial.

Out of all the cases tried, one death penalty has been assessed—that against Tomoye Kawakita, a Japanese-American who was charged with operating a wartime factory in Japan and mistreating American prisoners employed there. Tried at Los Angeles, he is now appealing.

Msgr. Goebel's Mother Dies

Msgr. R. C Goebel, pastor of the St. Peter's Catholic church, and Miss Elsie Goebel, are in Edgerton, O., called there because of the death of Msgr. Goebel's mother, Mrs. Carla Goebel.

Mrs. Goebel died at the age of 88 Monday as the result of a fall which she suffered on New Year's day. Miss Elsie Goebel, who is secretary and housekeeper at the rectory, is a niece of Mrs. Goebel.

Funeral services will be held Thursday at 10:30 a. m. at Edgerton with Msgr. Goebel officiating

Trade Sluggish As Market Awaits Reaction to Speech

NEW YORK — (AP)— The stock market simmered in a narrowly irregular price range today

The general tendency seemed to be upward but there was no push behind demand and numerous issues sold at slight losses. Changes either way were mostly less than a point.

Turnover continued at a sluggish rate

Most of the President's policies have been laid out in the open but many traders are now waiting for congressional reaction before taking an aggressive stand in the market.

CIO Officers Go To State Meeting

Officers of Mansfield's CIO unions went to Cleveland today to attend a three day meeting of the state CIO council.

Representatives of Local 17, United Rubber Workers; Locals 711 and 758, United Electrical Workers; Local 168, United Steel Workers and the Richland County CIO council are attending the meeting.

15 Signed Up For Inaugural Train Trip

Fifteen so far have signed up to make the trip to Washington, D. C., for the President's inauguration, Russell Moore, in charge of arrangements, announced today.

However, 12 more are needed to sign up since the special railroad Pullman car, which would be secured, has a capacity of 27 persons.

The car would be put on a train leaving Mansfield at 8:30 p. m. Jan. 19, arriving in Washington on inauguration day and arriving back in Mansfield on the morning of Jan 21.

Persons interested in going should contact Moore, Ralph Lutz, of Lexington, Democratic executive committee chairman, or Marshall C Moore, central committee chairman, by Saturday.

He said it will take two or three days of near-zero weather to make safe skating possible on the lakes.

Fraternity Picks Warner

George Warner was elected last night as new president of Alpha Alpha Iota chapter, Phi Sigma Chi fraternity

The annual election of officers was conducted by Robert Glasener at the regular meeting held at the fraternity's clubrooms, 52½ North Main street. Glasener was appointed by the retiring president, Jack Davis.

Other officers are Ben Rawls, vice president, Forrest Marlow, recording secretary, Darrell Bush, corresponding secretary, Aaron Davis, treasurer; and Ovid Epps, chaplain

New president Warner announced that a class of pledges will be started at once and that formal installation will be held at the next meeting of the fraternity.

At a short business meeting, following election of officers, Dave Morton, chairman of the entertainment committee, announced that plans are being made for a dance in March. The dance is expected to be opened to the public.

UEW Board Fires Representative

CLEVELAND —(INS)— Fred Haug, left-wing business representative of Local 707 of the CIO-United Electrical Workers union, was discharged by the executive board yesterday by an 11-2 vote.

Haug, however, refused to accept the decision of the board as final and said that he would appeal its action to the Steward's Council at its next session Jan. 24.

Educator 'Debunks' IQ Tests

Dr. Griffin Talks To Grubaugh P-TA

"Intelligence tests are fairly accurate measurements en masse, but offer very little information about individuals," Dr. Allan Griffin of the Ohio State university faculty told members of the Rebecca Grubaugh P-TA last night.

Dr. Griffin "debunked" some of the present theories on intelligence tests. Talking on the meeting theme, "How Intelligent is Your Child," he said, "There is a question as to just exactly what these tests are measuring, since there is a difference of opinion as to what intelligence really is."

He declared there is nothing to worry about because one child might not have ranked as high in these tests as some other child.

He compared intelligent tests with aptitude tests, declaring "with aptitude tests it is more definitely known exactly what is being measured but they are not as accurate as intelligence tests."

During the business meeting, members voted to institute a "game night" in the school gymnasium for P-TA members and other families of the district. Badminton, volleyball, ping-pong and other games will be played. Equipment will be provided.

SPONSOR CUBS

Members also decided to sponsor the Cub Scout Pack No 4 and named Warren E Ullom as cub master

Plans for a Founder's Day community dance on Feb. 8 to be held at Hedges school were made last night by members of the Parent-Teacher association. Contributions were made

The meeting opened with a basketball game between the varsity squad and the reserves with the varsity winning, 21 to 7. Following the game, Mike Hallabrin, school coach, presented letters to the football team, city champions.

Endorsement of the proposed "safe driving" course at Senior high school was voted by members

Refreshments were served by Mrs. Charles Myers and Mrs. Robert Chew.

Dr. Alan B. Adam, Mansfield psychiatrist, spoke to members of the West Fifth P-TA last night on the causes and care of mentally-ill children.

During the business period, over which Mrs. Jane Heilman, president, presided, plans were made for a party and "cake walk" to be held on Feb. 25. Attendance prize was won by Miss Amanda Streib's room. This prize is given for the room having the most parents present.

Refreshments were served by Mrs William Holzmiller, Mrs. J. L. George and Mrs. Wilson McLean. The next meeting will be held on Feb. 8.

TROOPS TO MEET

Boy Scout Troops 2 and 6 will meet tonight at the Brinkerhoff school and the Block House, respectively.

Evangelism Drive Set

Plans for an evangelism drive for charter members for the Lutheran Mission in South Boulevards, were made last night at a meeting of the mission council held at the home of Harry Colbow, 526 Clifton boulevard.

Rev. Wray Smith, pastor of the mission and chairman of the council, announced the evangelism drive would get under way on Jan. 23 and continue through Feb. 6. By that time, Rev. Smith said he hoped to have a permanent church organization.

In operation since last July, the Lutheran Mission has 34 charter members. Rev. Smith said he hoped to increase the membership to 100 families.

The Mission council appointed Donald D. Cram as chairman of the evangelism drive with Lowell Hamilton, George Schuckman and Robert Glessner on the committee.

Reserves Get Quarterly Pay

Enlisted men of the Mansfield Naval Reserve division 195 received their quarterly pay last night at the weekly drill period.

Lt. Cmdr. Thomas B. Wright, commanding officer, said the payroll amounted to $5,200. The pay period covers the last three months of last year.

Officers were not paid since their longevity pay has not yet been figured. The Navy Department recently started paying Reserve personnel longevity, which figures at five per cent on base pay for every three years of service.

PAGE FOUR MANSFIELD, OHIO, WEDNESDAY, JANUARY 12, 1949

The estimated cost of $1,000,000 for repairing the White House has now risen to $10,000,000—which seems to be about right . . . if any work is required.

It is noted that some of the hitherto confident prophets seem reluctant to make predictions for 1949—and there even seems to be some doubt about what tomorrow will bring.

County Government Also Comes High

ANY INCLINATION to feel surprised by the fact that costs of operating Richland county government are climbing is entirely unjustified. This is merely in keeping with the general trend and is a natural part of the inflationary spiral that extends through public as well as private business operations.

It will be noted that even the $1,268,000 budget approved yesterday by the county commissioners falls considerably short of requests by various departments and agencies, and that a still higher budget would be required if some of the county's urgent needs were to be met.

It is quite understandable, as stated by County Auditor Norman L. Wolfe, that if operating costs continue to rise, it will be virtually impossible to finance county government on present sources of revenue, and that the alternative is sanction by voters of a special tax levy or bond issue, unless further state aid can be secured for some welfare activities.

It may be, as costs of county and municipal government go higher and higher, that more serious thought will be given to combining these two expensive and sometimes overlapping operations, but until the time comes for such a progressive step financing problems will continue to disturb responsible officials and already overburdened taxpayers.

Who'll Be Candidates For City Offices?

CREEPING UP, without being given much thought, is the February 2 deadline for filing declarations of candidacy for Mansfield city offices, with Tuesday, May 3, as the date for holding primaries and far-off Nov. 8 as election day.

Uppermost in importance at the moment is the matter of both political parties getting busy in an effort to bring out creditable candidates for the various elective positions to be filled—with greatest emphasis on requirements for efficiency and dependability in the office of mayor.

Salary of the mayor is now $5,300 a year, having been increased from $4,500 at the start of Mayor Vaughn's second term. While this salary cannot be regarded as large, under present standards of compensation, it should be sufficient to attract some qualified aspirants for the position, which gives opportunity for performance of valuable public service, in addition to the monetary compensation.

It is the Akron Beacon Journal that presents the thought: "The ablest men and women of this city are willing to give a lot of time and effort as officers and board members of private organizations that serve the community, but these same persons rarely, if ever, run for public office."

Other city offices for which candidacy must be declared by 6:30 p. m. Feb. 2 are: president of council, six ward councilmen and three councilmen-at-large, treasurer and solicitor.

The time is short—three weeks from today—and the subject is being presented in the hope that public thought will turn in that direction before it is too late for declarations of candidacy to be filed.

Could Government Make More Steel?

COUPLED with President Truman's idea that it may be necessary for the federal government to enter into the field of steel production, unless capacity is expanded by private industry, it may be wondered to just what extent the President believes production should be increased to meet present and prospective needs.

From the American Iron and Steel Institute comes a bulletin to the effect that steelmaking capacity at 96,000,000 tons a year is now greater than ever before in war or peace, and that further large expansion is planned during the next two years.

It is pointed out that by pushing their programs of expansion and improvement, companies engaged in the industry increased total ingot capacity by 1,800,000 tons in 1948, which was substantially higher than expected under schedules reported a year ago, according to Walter S. Tower, president of the Institute.

It is also revealed that furnaces of the industry, operating fully, can now pour 180 tons of raw steel every minute for a full year—which is 18 per cent higher than the capacity in 1940, compared with a population increase of 11 per cent during the same period.

Further information is to the effect that schedules call for the addition of 2,200,000 tons in 1949 and 500,000 tons in 1950, thus bringing the total capacity to more than 98,000,000 tons by the end of 1950, barring any enforced retirement of facilities which cannot be foreseen or estimated at present.

Any fair consideration of wastefulness and inefficiency that have attended government's attempts to embark in the operation of industry, business or transportation will tend to arouse opposition to any proposal to turn steel-making over to a federal bureau, probably under direction of some favored politician, preferably from Missouri.

Week-end holidays will be featured this year—with Saturday through Monday applying to Memorial day, Fourth of July and Labor day, all of which fall on Monday, while Christmas coming on Sunday, will naturally be observed the following day . . . 1950 will also arrive on a Saturday night.

A "buyers' market" in cars is predicted within the next ninety days, but Harry Wade, from his Detroit vantage point, isn't believing it "until salesmen again call in pairs, one to cover each exit."

Word comes that the White House grocery bill has been cut down to $2,000 a month—which still doesn't sound like introduction of an austerity program.

Let's see now, which special "Week" is this?

Reiteration of Firm Policy Clears Air

PRESIDENT TRUMAN'S denial that there is to be any softening of America's attitude towards Russia will dispel what, to say the least, were worrysome doubts both at home and broad.

There is no room for doubts at this crucial stage of the cold war. Success of the defense against communist aggression depends on a solidarity of effort that calls for high morale.

Two recent developments had given rise to much speculation not only in the United States but in foreign countries. One of these was Presidents Truman's statement in Kansas City that there were Russian government leaders who were exceedingly anxious to reach an understanding with America.

That had much of the civilized world engaged in eager guessing for some time. All sorts of theories were raised, including the question of whether this meant there was a split in the fourteen-man Politburo, which is the core of the Red dictatorship. Moscow took note, but kept its thoughts to itself.

This world-wide speculation reached such a pitch that some administration officials in Washington indicated they thought the president would have to clarify his personal attitude towards Russia.

At this juncture a magazine article appeared, saying in effect that Mr. Truman was engaged in a fight within his cabinet to soften American policy towards Moscow.

This article, by Jay Franklin in Life magazine, blew the lid off. The chief executive made a two-fisted and wholesale denial of it at a press conference in Washington. He declared that there is no change in America's foreign policy.

* * *

Actions Follow Words

THE president put an exclamation point after this declaration by announcing appointment of Dean Acheson as secretary of state to succeed General Marshall, who is retiring because of ill health. Acheson had much to do with the development of the so-called "tough" policy towards the communists. That policy is to be continued.

This clarification represents one of the most important developments in foreign affairs recently. It comes at a time when uncertainty could do great damage to the progress of the Marshall Plan in western Europe.

That project is going very well, but the countries concerned are having a tough struggle. Vast damage could be done by uncertainty over such a vital question as the continuance of a firm policy towards Bolshevism.

We may find in the long run that fortune was doing the democracies a good turn in creating circumstances which called for President Truman's declaration.

A reiteration of firmness at this juncture would be a good thing in any event. This is particularly true in view of the discussions between Washington and the Western European Union looking to a possible defense alliance.

Naturally Moscow will get no satisfaction from Mr. Truman's blunt statement. However, there is no reason to believe that the Russians had misunderstood the position and thought America was softening towards communist aggression.

Viewing the National Scene

New Label: 'Fair Deal'

By THOMAS L. STOKES

WASHINGTON — The key to the Truman "Fair Deal" which is about to begin here to open up a new era is to be found not so much in the program the President submitted to Congress, but in his acceptance of the principle, finally and flatly, That it is the government's responsibility to intervene on a broad front continually and not only for emergencies to safeguard the welfare of the people as their right.

Here it is:

"I hope for cooperation from farmers, from labor, and from business. Every segment of our population and every individual has a right to expect from his government a fair deal."

Which means, in effect, that the government owes every citizen a "fair deal."

There was nothing new or surprising in his message except his threat that the government, itself, would build plants to produce steel and other critical basic materials now in shortage unless private industry expands facilities.

That, however, was highly significant, for it is a new sort of intervention beyond those generally endorsed by him and President Roosevelt before him.

Government building of public-power projects, which enters competition with that form of private industry, has become accepted and orthodox, though still the subject of controversy and vigorous opposition by a minority. But electric power had a public aspect and function which long ago was recognized by government regulation.

Steel hitherto has not been generally endowed with that character. Steel, however, is basic. It is the very fiber of the expanding economy to which the nation has become committed. It is, likewise, a great private empire with monopolistic tendencies. It has been powerful in politics as in business.

* * *

"Yardstick Theory."

THOUGH President Truman only made a threat, it undoubtedly will make Steel stop and think. The public became very much aware of Steel's short-sightedness at the beginning of the war when the industry had to be nudged into expanding. That short-sightedness still exists.

What President Truman threatened for Steel was what Franklin D. Roosevelt established for electric power. The late President called it the "yardstick theory."

The government entered that field, with the consent of Congress, to produce competition to keep down rates and make the utilities expand their services. How far that theory has taken us was indicated by President Truman when he again asked Congress to extend the TVA principle to other rivers of the country.

It is significant that the President has gone even so far with Steel as to suggest the possibility of application of the "yardstick theory" to that great industry. This was the new and radical departure, if such it may be called, in his first message to inaugurate his second administration in which he will be President in his own right.

But throughout his message, in repeating his demand for various social reforms that he long has espoused, as did Mr. Roosevelt before him, President Truman emphasized the responsibilities of the government to the people as he never has done before.

He gave lip service to free enterprise and capitalism, but his program is one of socialization in several fields. The important fact here is that, where his previous service to such socialization was itself lip service because of a hostile Congress, he now has a Congress which is much more friendly.

It is, in a way, ironic that a man who comes from a small town in Missouri, who failed in business as a haberdasher, who was a political accident as President, should be the man who should give the second great push in our generation to socialization.

Looking Back

Twenty Years Ago Today

Saturday, Jan. 12, 1929

Arliss F. Porter, president of council, became mayor of Mansfield, following resignation of J. Earl Ports, who accepted appointment as assistant quartermaster general of Ohio.

Milton D. West, 68, well-known former baseball player, died at his home, 113 West Fifth street.

Joint installation by McLaughlin post, GAR, and Women's Relief Corps, was held in Memorial building.

Paul Casey, 405 West Fifth street, underwent operation in Columbus hospital.

Party was given for Marilyn Gernhardt, Marion avenue, on her fourth birthday anniversary.

Fred Stecker, jr., and James Hoffman returned to Culver Military academy to resume studies.

Mrs. Bryan Miller, West Fifth street, suffered finger injury when hand was caught in door at her home.

Washington Merry-Go-Round

Knutson's Successor Warmly Welcomed

By DREW PEARSON

WASHINGTON — Of all the new faces in the 81st Congress, none is more welcome than a friendly, square-jawed countenance atop a six-foot frame belonging to Congressman Fred Marshall, freshman Democrat from Minnesota.

In fact, it might be said that Marshall is the most welcome addition — period — because he replaces that all-American isolationist and reactionary, Harold Knutson, generally considered the most disagreeable man in Congress.

Marshall's first mission in Washington, he says, is to explode "the belief that most of the folks in my country are rabid isolationists like my predecessor." The Minnesotan, unlike Knutson, doesn't talk much. However, he has been a champion of the Truman foreign policy, and will support most of the liberal domestic reforms the President advocated in his State of the Union message.

He knows the problems of the farmer from A to Z, having been one all his 42 years. One of these problems, which Marshall hopes to see remedied, is insufficient low-cost, rural housing.

Marshall got some first-hand pointers on this as Minnesota director of the Farmers Home Administration (formerly Farm Security Administration) before coming to Washington.

His oddest campaign experience happened in a small town shortly before election, when he met a voter who insisted that he (Marshall) couldn't be a candidate for Congress. "Harold Knutson was just through here and told us he had no opposition," reported the voter.

In the end, the voters of Minnesota's sixth district decided otherwise, giving Marshall a majority of 4,200 out of 130,000 ballots.

Misplaced Applause.

WHEN President Truman came to the crucial civil-rights issue in his State of the Union address, he had at least one sympathetic southern listener—eight-year-old Tolise Gathings who sat on the lap of her daddy, Rep. E. C. Gathings of Arkansas, while the President spoke.

As the white-haired man on the rostrum intoned all those big words, little Tolise listened profoundly and joined enthusiastically in the outbursts of applause. This caused papa Gathings to beam proudly—until the President started talking about civil rights.

Suddenly, the Southern solons froze in their seats, their hands folded in their laps, and a funeral-parlor hush fell over them. But not Tolise Gathings. She clapped the white-haired gentleman on the rostrum just the same—until her daddy, with an embarrassed flush, reached down and caught his daughter's hands. He didn't let her go, either, until it was safe for an Arkansas congressman to applaud again.

Sister Senator Smith.

MAINE'S high-flying Sen. Owen Brewster is taking the bows for getting his sister senator, Margaret Chase Smith, appointed to the all-powerful Republican policy committee. What happened was that the day before the announcement, Brewster ostentatiously made public a letter he had written urging Mrs. Smith's appointment.

The truth is, Mrs. Smith had already been selected well before Brewster wrote the letter. And she was selected, not to please Brewster, but to appease the Republican liberals. Brewster's buddy, Senator Taft, gave him an advance tip that the appointment was to be made, so the resourceful senator from Maine hastily dictated the letter—so he could take all the credit.

Under the Dome.

SENATOR Arthur Vandenberg's son, Art jr., who has been running his father's office, has presented his dad with two-weeks notice. Young and able, Art jr., is dickering for a new job with some New York public relations firms. . . . A total of 662 bills and resolutions was dropped into the House "hopper" the opening day of Congress. New York's Democratic "Manny" Celler led with 35 measures, while GOP Congressman Carl Hinshaw of California introduced 25. . . . It was a great occasion for Colorado's John Carroll and Ohio's representative-elect Stephen Young when they shook hands at the House Democratic caucus. The last previous meeting of the two Democrats was on Anzio beachhead, in Italy. . . . Phil Kaiser, now in the labor department, will become assistant secretary of labor in charge of international affairs. A good man. . . . If Federal Security Administrator Oscar Ewing's job isn't raised to cabinet status, he will run for governor of New York.

Merry-Go-Round.

LAST week Sen. Estes Kefauver's father came to Washington to watch his son sworn in as a member of the upper chamber. Remarked the elder Kefauver, "they used to refer to Estes as my son. Now I am his daddy. That's what makes our country better—when a son is better than his daddy." . . . Freshman Congressman Harry Davenport of East Liberty, Pa., who ousted John McDowell from the House, wears a yellow-colored necktie calling for the defeat of the Taft-Hartley law. Congressman Davenport is pledged to wear the tie until the act is repealed. . . . Senator Lyndon Johnson of Texas won a brand new hat for his election predictions. . . . New Secretary of State Acheson is expected to resume daily press conferences, invaluable to any state department official who wants to keep in close touch with the public. . . . Acheson is popular with diplomatic newsmen. When he left as under secretary of state, they chipped in four dollars apiece to throw him a farewell party.

Assignment: America

All Sorts Visit Malabar

By INEZ ROBB

MALABAR FARM — Malabar Farm has become an American mecca for pilgrims who want to farm, write, breed boxer dogs or just picnic in congenial surroundings.

Within a decade, with typewriter, and tractor, Louis Bromfield has made this one of the most famous farms in the nation and one of the best known in the world.

In ten years, Mr. B had produced two best sellers (without sex) on farming—"Pleasant Valley" and "Malabar Farm"—started a revolution in farm techniques and become the mahatma of soil conservation.

In good weather, people come in droves from early morn till late at night. Any summer week-end that attracts less than a 1,000 persons who want to know what to do with the 'coon in the corn patch, how to write a novel, or beg a boxer pup is counted a flat failure.

Official delegations from nations great and small swarm over the barns and through the fields, with Mr. B in the lead, lecturing as he goes.

An astounding number of persons turn up regularly from Cape Town, Calcutta and Madagascar to see what M. B is now doing with mulch or manure.

During the summer, when the excursion season is in full swing, the goldfish, by comparison with the Bromfield family, leads a life of cloistered anonymity.

It is SOP (standard operating procedure) for farm organizations in neighboring communities to charter from 20 to 50 buses, load in the wives and kids, and come to spend the day at Malabar.

If this is also the day selected by the Browning club of Newton and the East Windsor Boxer association, it presages a full day for Mr. B.

It is his very real joy to show the farmers over Malabar. Meanwhile their wives and children occupy the front lawn under the catalpa trees and stare discreetly at any member of the family or sullen house guest rash enough to show himself.

* * *

All In a Day's Work.

SINCE the Humphrey Bogart-Lauren Bacall nuptials at Malabar, the house guests are all expected to be Hollywood's most glamorous best. It is somewhat humiliating if cornered by the autograph fans and asked "Are you important?"

It is far better to sign any movies name that comes into one's head, even if it happens to be "Lassie".

Mr. B always gets around to saying the right words to the Browning ladies and to shake each hand. Always, in such a group, there lurks a mother with a child who shows unusual writing ability. She has with her, just by chance, a 150,000 word sample which she will kindly thank Mr. B to read and criticize on the spot.

About the time Mr. B. gets around to the boxer fans his own four boxers are apt to be worn out by the heat and the humanity. Their fights start with the suddenness of summer lightning.

In this interim, when Mr. B grabs two of the dogs and several intrepid souls throttle the others, Mrs. Bromfield and the house guests reconnoiter. This is the break they have been waiting for all day.

Now, with the lawn temporarily cleared by the fight, they rush out and occupy the seats under the catalpa tree which they have been coveting all day but which have been occupied since dawn by early pilgrims.

Sometimes, when argumentative pilgrims demand their chairs back from Mrs. B and the house guests, they have been known to say with some spirit:

"We live here!"

One Man's Opinion

—By WALTER KIERNAN

IT APPEARS that the Senate will approve Dean Acheson's appointment . . . About all they want to know is does he raise pumpkins on his Maryland farm.

* * *

And there will be no hitch on the director of the budget moving into the state department . . . the budget moved in there sometime ago.

* * *

Future state policy is unknown but the decisions of the London papers to bar Rita Hayworth from their columns will not be carried to the security council.

* * *

The feeling is that neither the United States nor Egypt is prepared to go to war over the issue.

* * *

Anyway Rita and Aly have 29 nations left in which they are assured a free press, plenty of pictures and editorial comment . . . mostly bad.

* * *

But the way people criticise you'd think the guy was single.

Timely Editorial

More Doctors Needed.

There is a better way of avoiding socialized medicine than just lobbying against it.

That way is for the medical fraternity to do a better job of taking care of the people.

We're not talking about professional skill. New methods and new drugs have been developed so that doctors can work wonders nowadays. Many physicians and surgeons have kept pace. Some haven't.

Our particular concern is the number of doctors and their availability. There just isn't enough medical attention to go around. And because of that, some doctors who have less sense of responsibility than others, are very choosy about whom they attend. And, with demand exceeding supply, their fees too often run too high.

These factors are helping build up the pressure for socialized medicine.—Akron Beacon Journal.

As Cerf Tells It

The precision of some English ladies never ceases to fascinate me. One was pointed out to me as a survivor of the Titanic disaster. When I found myself seated next to her at dinner, I remarked, "I understand you came over on the Titanic." "Part way," said the lady.

Farmer's Diary

Let's Get Acquainted

By CALVIN A. BYERS

ELEVEN years ago, when my wife and I chose the title for this newspaper column, we considered "Woodcuts From Nature," "Country Tang," and finally chose "A Farmer's Diary" as less pretentious and more truthful. "A" farmer is a single individual; "The" farmer may be translated as one who claims to be exemplary of his class. All we mean to do is to tell one family's view of life from a family-size farm.

The word "Diary" seemed common enough, but we reckoned without jokesters and the folks who cannot spell. Some of our friendliest newspapers still say "The Farmer's Diary." Every mail still brings material from those who know that farmers belong with *dairies*. We have to give notice to publicity folk with axes to grind that until they learn that ours is a DIARY, not a dairy, we shall certainly not give space to their free-advertising solicitations. And we are *not* in the market for a milking machine *nor* a batch of butter color.

* * *

WERE I to select for this feature a colophon an emblem to be affixed at the end of the final page or at the beginning of a book-length collection of pieces—I think I would choose a honeybee upon a head of clover.

A bee is small, humble, useful, busy, an idealist who gets sweetness from the commonest flowers that grow, and often gives a powerful pollen grain, not his own, in return for a brief visit.

* * *

"BUT where are you going? Where is your column taking you?" asks a thoughtful reader. To whom we grin, as did the colored brother—"P'rhaps I'se goin' nowhere . . . mebbe I'se jes comin' back from where I'se done been!"

* * *

WE LIKE the motto which hung on the wall of an early Germantown printer. "Zur Ehres Gottes und des Nachten Bestes" . . . "To the Glory of God and my neighbor's good."

* * *

OUR favorite scripture! Micah 6:8 . . . "And what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?"

* * *

OUR favorite poem? "Hills," by Arthur Guiterman. It goes, in part, if you remember:

"So let me hold my way
By nothing halted
Until at close of day
I stand exalted . . .
How pure, at vespertime,
The far bells chiming—
God give me hills to climb,
And strength for climbing."

Daily Bible Thought

ODD FACT

During thhe 18th century, the social standing of a noble was reckoned by the number and richness of his snuff boxes.

Pastor Due In Bucyrus On Feb. 13

Lutherans Set Installation Rites

BUCYRUS — Installation of Rev. Emanuel J. Katterhenrich as pastor of Good Hope Lutheran church here will take place here on Sunday, Feb. 13, a spokesman for the church's official board announced today.

Rev. Katterhenrich, who at present is pastor of St. Paul's Lutheran church in Columbus, announced his acceptance of the Bucyrus call Tuesday after he had been officially released by his present congregation upon his request.

The installation ceremonies will be conducted by Dr. J W Schillinger of Columbus, who is Ohio president of the American Lutheran church.

The new pastor was a Navy chaplain during World War II and was stationed on an aircraft carrier. He and Mrs. Katterhenrich have two sons, Paul, a high school senior, and David, 8.

Rev Katterhenrich will succeed Rev. H. H. Glick, who accepted a call in November to St Peter's Lutheran church in Norwalk after serving here 14 years.

Marion Drafts Million Budget

MARION —(AP)— For the first time in history Marion city council has approved an appropriation ordinance calling for more than $1,000,000 The total set up for expenditure this year is $1,043,760. The figure for 1948 was $889,383 - 63

City Auditor Elmer Shaw said the increases was due primarily to a $40 a month pay raise recently granted 360 municipal employes

Potash Fertilization Beneficial To Alfalfa

WOOSTER—Potash applications have increased the yield of alfalfa for 21 successive cuttings in a greenhouse experiment on a Wooster silt loam soil, reports R. H Simon, of the Department of Agronomy at the Ohio Agricultural Experiment Station. The response was greater on neutral alkaline soil than on slightly acid soil.

Application of 80 pounds of actual potash (equal to 160 pounds of 50 per cent muriate of potash) increased the yield on a slightly acid soil (pH 6.0), by 11 per cent in the first 12 cuttings. On both neutral and alkaline soil the percentage of increase was 16 per cent.

The potash applied in the fertilizer was not all that the alfalfa plants used. On the slightly acid soil the crop removed 53 pounds per acre more potash (which of course, came from the potash-bearing minerals in the soil) than had been applied in the fertilizer. On neutral soil, the yields of alfalfa were larger and the removal of potash was still more in excess of that applied as fertilizer. Here 143 pounds per acre more potash was removed in the crops than was applied as fertilizer.

After 12 cuttings had been removed, Simon states, an additional 80 pounds of potash were applied. Another application was made after the 15th and 18th cuttings. In all, 240 pounds of potash per acre were used. For the 21 cuttings that have been made, the increase due to potash has been 33 per cent for the slightly acid soil, and 26 per cent for the neutral soil.

When grown in the field, alfalfa is a heavy consumer of potash and the element must be supplied from some source if the stand is to be maintained. This can be done either by frequent applications of manure or by fertilizing with a commercial fertilizer high in potash.

Crawford Dairy Service Unit Retains Officers

BUCYRUS — Re-election of all officers featured the annual reorganization meeting of the Crawford County Dairy Service Unit held this week at the courthouse here.

George Ruth, Sulphur Springs, was retained as president and other officers include: Vice-president, J. I. Will, Crestline, secretary-treasurer, William Guthrie, Galion; and executive committee members, Homer Hedges, Lykens, and Ralph BKevier, Tiro.

Good News For Folks Who Suffer From

✔ STOMACH GAS
✔ SOUR FOOD TASTE
✔ ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too-little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak; watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better feel better, work better, play better.

Avoid punishing yourself with overdoses of soda and other alkalizers to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today SSS Tonic helps Build Sturdy Health

WOMEN'S ASSOCIATION, PILGRIM GUILD CONVENE

Annual Business Meeting and Installation of Officers Held at Congregational Parish House.

SIXTY-FOUR MEMBERS of the Women's Association and Pilgrim Guild of First Congregational church were served luncheon Tuesday in the parish house, preceding the annual business meeting and installation of officers of the two organizations.

Centerpieces of poinsettias were arranged on the long tables at which the guests were seated for the luncheon, and for which Mrs. George Hanner served as hostess, assisted by Mrs. Richard Jordan, Mrs. John Morgan, Mrs. T. Y. McCray, Mrs. Perry Milliken, Mrs. LeRoy Wittemire, Mrs. M. V. Scouten, Mrs. D. L. Shelley, Mrs. Ethel Channell, Mrs. Donald S. Black, and Mrs. Fannie Carrier.

Rev. Matthew Madden, pastor of First Congregational church, officiated during the services when the following new officers were installed:

Mrs. C. R. Deisler, president of the Women's association; Mrs. Dwight Smith, first vice-president; Mrs. Joseph Roby, missionary education; Mrs. Willis Carto, secretary; Mrs. Ralph E. Stevens, treasurer.

Committee chairmen of the Women's association are: Mrs. A. W. Fitzsimmons, program; Mrs. Eloise Buchan, officers' aide; Mrs. C. H. Bell, nominating; Mrs. H. E. Edwards, house; Mrs. Fred Tracy, budget; Mrs. Emil Stephan, hostess; Mrs. Deisler, cabinet representative; Mrs. Derl Arehart, flower committee, and Miss Effie Snyder, sewing.

New Guild officers are: Mrs. F. A. Hoffman, president; Mrs. R. H. Emerson, vice-president; Mrs. Emil Stephan, secretary; Mrs. K. L. Woodman, treasurer; Mrs. H. E. Edwards, chairman executive committee; Mrs. Ethel Channell, church cabinet representative; Mrs. Alex Fraser, membership; Mrs. Charles Fox, nominating committee; Mrs. L. G. Bergstrom, program; Mrs. Joseph Roby, hostess committee; Mrs. A. W. Fitzsimmons, publicity, and Mrs. David Shelley, friendship.

At the close of the installation services, Mrs. William Hazeltine sang the number, "Just For Today," by Seavers, accompanied at the piano by Mrs. Bergstrom.

Communion services closed the afternoon meeting.

Guests at the services and dinner were Mrs. Harry Kramer and Mrs. Harry Mahoney, while the following new members were received into the organizations: Mrs. Allen Sanford, Mrs. Ruth E. Grimm, Mrs. Herbert Lombard and Mrs. Clarence Lloyd.

The next meeting of the association is planned for Feb. 3, while the guild will meet Feb. 8. Both meetings, to be preceded by luncheons, will be in the parish house of the church.

Epworth Guild Names New Committees

The first meeting of the new year for members of Epworth Guild was held Monday evening at the home of Mrs. Eugene Linham, 142 Parkwood boulevard, with Mrs. Mayme McConaughy, Mrs. Robert Barker and Mrs. John Early, assisting.

Mrs. Lester Perry conducted the business meeting and announced the following committee chairman to assist her: Mrs. F. M. Wadsworth, finance; Mrs. F. C. Lewis, secret pal; Mrs. Vernon Ford, calling; Mrs. Robert Hall, flowers; Mrs. Eugene Linham, member and guest chairman.

Miss Eva Leonard, childrens librarian at Mansfield public library, was guest speaker and described books for children of preschool age, through high school.

The meeting was attended by twenty-seven members and four guests, Mrs. Maurice Taylor, Mrs. Chalres Sutton, Miss Leonard and Mrs. Jean Richardson.

The next meeting will be Feb. 14, at the home of Mrs. Stanley Cramer, 412 Sherman place.

OBSERVES BIRTHDAY.

Mrs. William J. Mann quietly observed her 76th birthday with her son-in-law and family, Mr. and Mrs. M. S. Baith, 978 Averill avenue, recently.

Couple to Have 50th Anniversary

Mr. and Mrs. Fred W. Oswalt will celebrate their 50th wedding anniversary with open house for relatives and friends at the YWCA, on Sunday.

Mr. and Mrs. Oswalt were married January 19, 1899, in Epworth, Ohio. They exchanged nuptial vows at the home of the bride's parents, Mr. and Mrs. James Myers. The Rev. F. I. Johnson officiated for the ceremony. Mrs. Oswalt is the former Lulu Myers.

They lived in Weller township until 1908 when they moved to Mansfield. Both were employed at the Children's Home for seven years. Mr. Oswalt has been an employee of the Ohio Textile Products company since 1917. They have no children. Mr. and Mrs. Oswalt now reside at 341 Newman street.

The hostesses for the open house Sunday will be Mrs. Virgil Moffett and Miss Hester Robinson, nieces of the couple. They will be assisted by Mrs. Ralph Kyle, sister of Mr. Oswalt, Mrs. Charley Oswalt and Mrs. Harvey Oswalt, sister-in-laws of the honored couple, and Mrs. Otis Eby, sister of Mrs. Oswalt.

Dr. Rosenstein To Speak to Federation

Final arrangements have been completed for the second in the series of lectures Thursday when Dr. J. L. Rosenstein, associate professor of Loyola university in Chicago, will address members of the Mansfield Federation of Women on the subject, "Adventures in Living."

Dr. Rosenstein will address the group in the Ohio theater at 11 a. m.

Among the subjects which the speaker will discuss in connection with his topic are "Peace of Mind, How to Attain It"; "How to Live With Yourself and Like It", "You Can Make Your Marriage a Success", "Leisure, a Menace or a Blessing", and "You Can Beat Worry."

The speaker received his Bachelor's degree from Lafayette college, and his Master's degree from the University of Pennsylvania in the field of clinical and applied Psychology, and is a member of the American Pychological association, the society of Sigma Xi, and the National Vocational Guidance association.

Elect New Officers

Mrs. H. M. Ward was elected president of the Love and Friendship class of the Mayflower Congregational church Tuesday evening at the annual business meeting held at the Harold Dysart home, Brae Burn.

Assisting her for the coming year will be Mrs. Dysart, vice president; Mrs. John Gorman, secretary; Mrs. Kenneth Ross, treasurer.

Fifteen were in attendance. The business meeting was conducted by the retiring president, Mrs. Ross Sackman, and devotions were led by the Misses Ruth and Gertrude Aderman. Mrs. A. F. Lindbeck was awarded the contest prize. A guest in attendance was Rev. Lindbeck.

At a late hour refreshments were served from an attractively decorated table. The next meeting will be Feb. 8 at the home of Mrs. Ward, Wellington avenue.

Crescendo Club Meets At Voltzs

Twenty-three members of the Crescendo Music club were present for the January meeting, which was held at the home of Margie Voltz, 440 Beethoven street, with Kay Saunders as assistant hostess. During the business meeting conducted by the president, Jean A. Robinson, it was decided to attend the concert of the Columbus Symphony when it appears in Ashland this spring.

Elaine Hartley presented the notes on the topic, "Music You Live With." This topic was illustrated by various members of the club. Shirley Jones, violinist, played "Indian Love Call" and "Desert Song" with Mary Ann Taylor as accompanist. A saxaphone trio composed of Jim Cook, Dick Butts and Phil Pendleton played "Blue Skies" and "Star Dust." Jim Kibler accompanied this group. Jean Robinson, accompanied by Marty Shiplet, sang "Summertime."

The next regular meeting of the club will be held Sunday, February 6, at the home of Shirley Jones, 555 Maple street. Barbara Freese will serve as chairman.

ANNIVERSARY DINNER

The Esther Bible club will meet tomorrow afternoon at the home of Mrs. J. M. Etzwiler, 125 Flint street. This will be an anniversary dinner and regular meeting.

Installation of Officers Held By Mary B. Mitchell Tent No. 40

THE REGULAR meeting and installation services for Mary B. Mitchell tent, No. 40, was an event of Tuesday evening, with Mrs. R. E. Keefer, retiring president, conducting the meeting.

Plans were discussed by the members to accept an invitation from Mary Bricker tent, No. 87, of Shelby, to attend installation ceremonies there Thursday night, and a donation to the Ohio department was approved.

Mrs. Frank Campbell, department vice-president, and members of her staff served as installing officers when the following members became officers:

Mrs. H. H. Light, president; Mrs. Arthur Murphy, senior vice president; Mrs. D. D. Orewiler, junior vice-president; Mrs. Herbert Garrett, treasurer; Mrs. R. E. Keefer, council member 1; Mrs. C. C. Purdy, council member 2; Mrs. A. J. McHugh, patriotic instructor; Mrs. O. D. Fair, secretary.

Mrs. M. D. Pittenger, second guide; Miss Maude Swearingen, guard; Mrs. C. O. Robinson, assistant guard; Mrs. Park Robnolte, color bearer; Mrs. Ethel Gump, second color-bearer; Mrs. Helen Edmonestone, third color-bearer; Mrs. Vernon Sherman, fourth color-bearer.

A red, white and blue corsage was presented to the new president by Mrs. O. D. Fair, from Mrs. Earl Stevenson of Shiloh, secretary of the Order of Eastern Star, and Mrs. Fair also gave a past president's pin to Mrs. Keefer, retiring president.

Each of the officers who served during the past year received a gift from Mrs. Keefer, while Mrs. Light gave gifts to the installing officers.

At the close of the evening refreshments were served by Mrs. Light. The next meeting will be Feb. 8, at which time a new council member will be elected.

AUXILIARY PLAYS BRIDGE.

Three tables of bridge were in play Tuesday when the American Legion Auxiliary Bridge club met at the Legion home. High score prizes were won by Mrs. E. G. Hannan, Mrs. Guy Sword and Mrs. Hollis Moorhead. Mrs. Moorhead was hostess. The next meeting will be Jan. 25, with Mrs. Dwight McCullough as hostess.

DR. MAINZER SPEAKS.

Dr. Lizabeth Mainzer was guest speaker at the meeting of the Richland county chapter, Practical Nurses association of Ohio, at the regular session Monday night. The speaker discussed the topic, "Do's and Dont's of Bedside Nursing, and Obstetrical Nursing," after which the members participated in a round-table discussion.

Tuesday Book Club Hears Guest Speaker

Mrs. J. Rexford Small was hostess to twenty members of the Tuesday Book club and one guest, Mrs. Wayne Miller, at the Womens club Tuesday.

The short business meeting was conducted by the president, Mrs. Norman Wolfe, following which Mrs. Miller reviewed the book, "Woman With a Sword, by Hollister Noble, a historical biography of Anna Ella Carroll, which described the part she played in the Civic War.

The next meeting, Jan. 25, will be at the Womens club, with Mrs. Wilmer D. Abrams as hostess and Miss Emily Brown reviewing the book, "Throw Me A Bone, by Eleanor Lothrop.

New Members Welcomed

Mrs. Ralph LeMunyon, Miss Ann Stulphin, Mrs. John Opalenik, Miss Stella Valentine, Mrs. Anthony Curatti and Mrs. Sophie Stulpin were welcomed as new members of the Joan of Arc Circle, Daughters of Isabella, at their meeting Tuesday evening. Miss Eva Mayer, regent, presided.

Mr. Frank Jerger was awarded the attendance prize.

Plans were made for the card tournament which will begin after the next business session, February 8. The annual social committee announced a benefit bridge for January 31. This will be held in the Knights of Columbus home.

Mrs. P. G. Renie and her committee are in charge of the social for January 25.

Mrs. Shank Guest At Bible Club

Mrs. R. R. Shank was guest at the regular meeting of the Berean Bible club Tuesday afternoon. Mrs. Herman Baer, 552 East Townview Circle, was hostess to fourteen members and Mrs. Shank.

Devotions were led by Mrs. Florence Keith. Mrs. Harry Sullivan conducted the lesson study.

The next regular meeting will be January 25 at the home of Mrs. Edward Smith, 230 Saxton road.

Tourist Club Furnished Program By Mrs. Robert Merkle Tuesday

MRS. ROBERT MERKLE opened the program for the Tourist club meeting Tuesday afternoon, reading an article from a current magazine on the electrical servant of today. The title of the article is "Let Robot Do It." She gave a talk ranging from the seeing eye to farmers having their fields plowed by a robot. Mrs. Merkle explained how some day the robot will put the food in cans, take all the air out and seal them.

Mrs. E. Ray Jenkins spoke on "Seeing America Through the Short Story. "She gave the members a sketch, in words, of New England, Pennsylvania, the deep South, concluding with the far West. Her talk was mixed with a bit of humor from various short story writers.

The short business session was conducted by the president, Mrs. G. J. Kochenderfer. Mrs. D. C. Cole was named Indian welfare chairman.

Mrs. Elmer Post was hostess to 21 members and one guest, Mrs. C. Fred Lucas of Atlanta, Ga., at the Womens Club.

The next regular meeting will be Jan. 25 with Mrs. Dimon Herring as hostess at the Women's Club.

Miss Reining To Head Unit

Miss Carol Reining was elected president of Unit One, Nu Phi Mu sorority, at the regular meeting in the home of Mrs. Paul Carr, 275½ Helen avenue.

Others who will serve during the ensuing year are: Christine Schmidt, vice president; Shirley Rankin, secretary; Betty Carr, treasurer; and Connie Derr, recording secretary.

Plans were completed for a dinner party to be held at Richland Recreation on Jan. 18, for which Mrs. Paul Carr and Miss Juanite Neal will be hostesses.

BETHEL BIBLE CLUB

Mrs. R. K. Miller, Yale Drive, entertained members of the Bethel Bible Club Monday afternoon. Devotions were in charge of Mrs. R. K. Clark, who used "Prayer" as her topic, taken from the Eighth Psalm. Mrs. D. W. Cummins was in charge of the study period on "Psalms".

Rho Chapter Memorial Service Held

Rho chapter, Chi Sigma sorority, met at the YMCA Tuesday evening for a memorial service in charge of Miss Donna Enlow. Twenty-six were in attendance. The business meeting was conducted by Mrs. William Enlow at which time it was decided that Mrs. Wilbur Upson would attend a Founders Day conference being held in Trenton, N. J. Sunday.

Mrs. Richard Wappner, who has moved here from Cleveland, was welcomed back to the sorority, after being an inactive member.

Announcement was made of the pledge service and social meeting to be held Jan. 25 at the Happy Harry House, with Miss Mary Butler, chairman. She will be assisted by Mrs. J. M. Clark, Mrs. James Bricker, Mrs. William Black, Mrs. John Carothers and Mrs. George Connor.

Societies Hold Joint Meeting

Members of the Anna Kugler society of St. Matthews Lutheran church were guests at the meeting of the Mary Voegele Missionary society at a covered dish supper at the church Monday evening. Twenty-seven members and guests were in attendance.

The program was a book review, "Look Again at China, given by Mrs. Charles Sheriff.

Hostesses for the affair were Mrs. P. H. Woodard and Mrs. Clare H. Beal.

The next meeting will be announced at a later date.

HOROSCOPE

For Thursday, January 13
By GENEVIEVE KEMBLE

A firm and commonsense grip on irregular or odd circumstances may give more than expected results. An unsettled or critical event, perhaps affecting personal as well as business matters, credit, work, standing or solid objectives, may be at stake, but control of emotions, consolidation of resources, talents and abilities, might bring unlooked for and enduring results. Work for long-distance ends and enduring merit. Let fond hopes find firm foundation for happy aims.

For the Birthday

Those whose birthday it is may be perplexed by odd situations or peculiar circumstances on which it is advisable to bring sound commonsense into action. Setting the hopes high with cherished objectives on long-range rather than immediate reaping, may as well find an aura of happiness and sound satisfaction. The distant view may find alluring denouement if based on solid foundations rather than fly-by-night adventures. Home, romance and business associations all call for serious reflection and matter-of-fact manipulation.

A child born on this day may be subject to lures and drives of the sentimental, romantic and cultural. At the same time it possesses sterling, studious and sound constructive ideas and skills, with diligence and persistent endeavors.

Galion Events Feature Nuptial Rites

GALION — A number of weddings and one engagement held the social spotlight in Galion and vicinity during the past few days.

The outstanding wedding was an event of Saturday morning in St. Joseph church when Corrine Durnwald, daughter of Mrs. Nellie Durwald of Galion, and Burke Emmett McKenna, son of Mrs. Gladys McKenna of Kenton, exchanged vows in a double-ring ceremony, with Rev. Father F. X. Hermiller officiating at 9 o'clock.

Music for the mass and nuptials was furnished by Miss Marguerite Dorian, organist, and Catherine Chinni, vocalist. Lighted tapers and baskets of flowers decorated the altar for the ceremony.

Heavy white satin fashioned the bridal gown, with which the former Miss Durnwald wore a fingertip length veil of silk net, held by a net bonnet. She carried an arm bouquet of white roses, tied with satin ribbons. Attending the bride was Mrs. Joseph Meszaros of Toledo.

The bride was given in marriage by her brother, Robert Durnwald, while another brother, Dick Durnwald, served as best man. Ushers were Gilbert Weithman and Joseph Meszaro.

Members of the immediate families were present for a wedding breakfast served at Imhoff's restaurant.

The bride was graduated from Galion high school, and is employed as secretary at the North Electric Manufacturing company in Kenton. Mr. McKenna is employed by the same company as a draftsman. He was graduated from Kenton high school.

The couple will reside at 311 Columbus street, Kenton, following their wedding trip.

Out-of-town guests at the wedding were from Toledo, Akron, Kenton, Norwalk, Mansfield and Monroeville.

The recent marriage of Shirley Ohneck, daughter of Mr. and Mrs. Grover H. Ohneck, of Ft. Wayne, Ind., to Ralph W. Ross, son of Philip Ross of Canton, which was solemnized during the holiday season, has been announced here.

The ceremony took place in St. Joseph's church, Galion, with Rev. Father F. X. Hermiller officiating.

The couple was attended by Mrs. Joseph E. McCartney, sister of the bride, who served as matron of honor, and Mrs. James Hauter, sister of the bridegroom, who was bridesmaid. James Hauter attended Mr. Ross. Members of the immediate families were present for the wedding dinner served at the home of the bride's aunt, Miss Agnes Costello, in Galion. Later a reception for the newlyweds was held.

New Look Fading, Slim Silhouette Now Reappearing

The new look seems to be through and the slim silhouette appears to be on the way back, according to fall fashion trends noticed in the second annual fashion fair at New York.

Now more than ever women are trying frantically to take off the extra bulges.

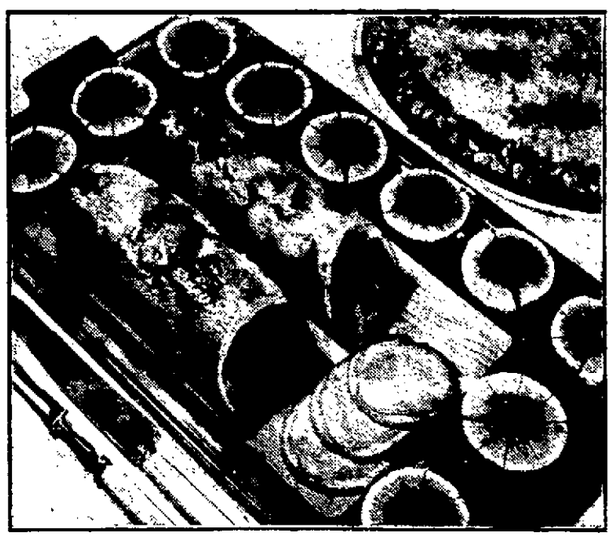
In recent months many weight-reducing preparations have appeared on the market, some of them based on "the diet and vitamin plan," which means cut down on the intake of food and fortify with vitamins for hunger distress.

A survey among drug stores in Ohio shows that one preparation, Rennel, which is the outstanding seller in the reducing field, is not based on this vitamin plan.

Any Ohio druggist can supply you with 4 ounces of Rennel. Just add this to 12 ounces of canned grapefruit juice and take according to directions. No starvation diet.

The makers of Rennel guarantee to refund your money if the very first bottle does not show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves.

Four ounces of Rennel costs little and hundreds of Ohio women have highly endorsed it. —Adv.



DAISY BOILED DINNER

Cook this whole meal in one kettle and impart the smoked and cured pork flavor of the daisy to the vegetables. This traditional boiled dinner includes fork-tender daisy, whole carrots, small onions, cabbage wedges and parsley-sprinkled potatoes. The flavor is excellent and the color appetizing. Cook the daisy in a simmering water about 45 minutes per pound. When it's almost fork-tender, add the vegetables, timing them to be cooked to perfection all at the same time.

Competition for Southern fried chicken comes from a Connecticut road side restaurant with a sign adverstising "Northern Fried Chicken" . . . I wouldn't think of starting an argument, but if you try sauteing your friers in vitaminized margarine there won't be any need for a country-wide chicken fight. All of it will be best.

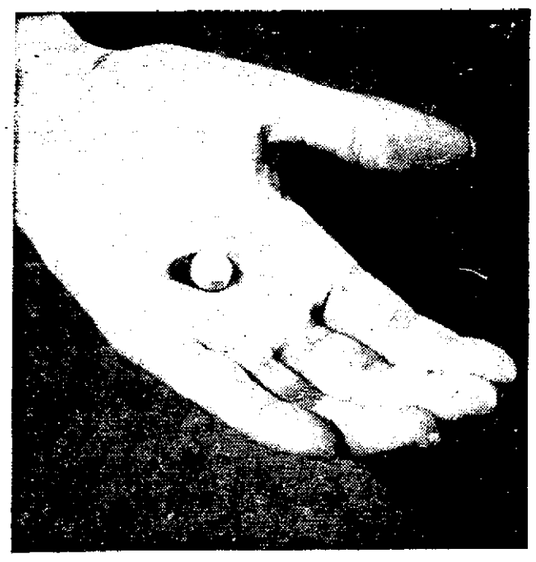
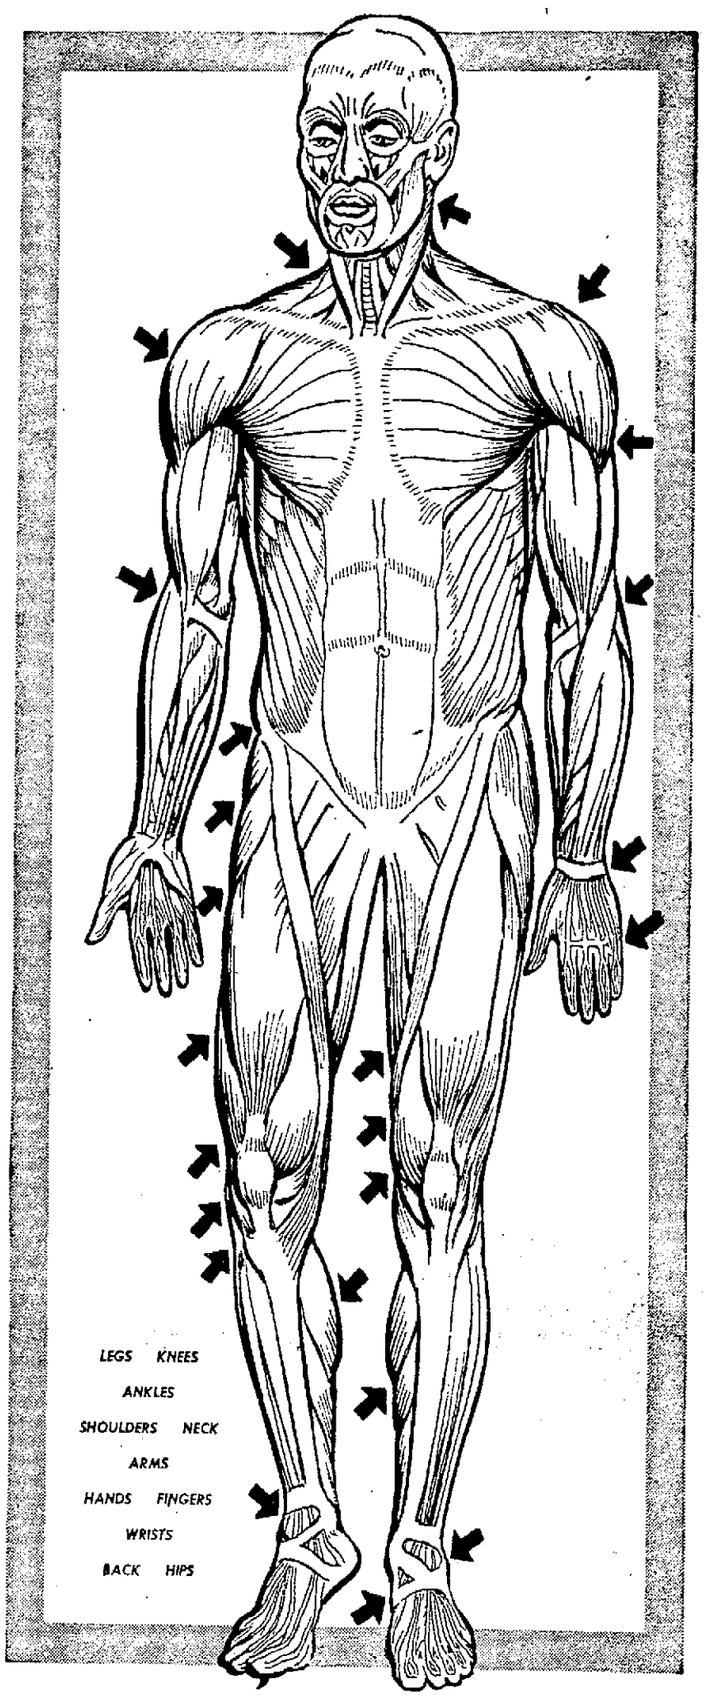
AMAZING NEW DISCOVERY FOR RHEUMATISM, ARTHRITIS

NO FASTER PAIN RELIEF KNOWN...SAFE...HOSPITAL TESTED

Stops Swelling...Uncorks Joints...Contains Sensational New Research Discovery





NEW, SAFE, SCIENTIFIC TABLET

Not a Narcotic... Not Habit Forming...

AT LAST THE STORY CAN BE TOLD! Medical science developed the amazing wonder-working drugs Sulfa and Penicillin . . . then turned attention to relieving the agonizing pains caused by rheumatism and arthritis. The result of extensive research is a wonder-working ingredient which is now combined with other pharmaceuticals into a remarkable preparation called IMDRIN. Longtime sufferers from rheumatism, arthritis, neuritis, and gout may find IMDRIN gives glorious relief so sensationally fast it's really amazing! There's nothing faster available to the public today. Contains no dope or harmful drugs. Only after three long years of clinical work and hospital testing was this fast, safe pain-killer developed, but today it is REALITY. If you suffer rheumatic pain ask for IMDRIN at GRAY'S drug stores.

DEVELOPED AFTER THREE YEARS OF EXTENSIVE TESTS IN HOSPITAL CLINICS

IMDRIN has been a closely guarded experimental secret before release for public use. Yes, medical men, after three years of extensive hospital tests, have proved conclusively IMDRIN works internally toward amazing reduction of pain, heat, redness, and swelling in the joints. Patients undergoing IMDRIN therapy in these hospital clinics often were able to resume comfortable living completely, after other remedies had failed. Every victim of rheumatism, arthritis, neuritis, sciatica, gout, neuralgia, etc., should investigate this new development of modern medicine. Ask for IMDRIN at GRAY'S drug stores. Truly IMDRIN is today's big proprietary success.

Relieves Pain and Suffering After 20 Years of Torture!

"I call IMDRIN a miracle and you can understand why when I tell you that the pain which had tortured and crippled me, and for which there seemed no relief, was gone after I had taken IMDRIN. Now, for the first time in years, I can move about without pain and enjoy life once again. Surely the thousands of unfortunates like me who are seeking relief from the pains of arthritis should be happy to learn about the blessed, fast-acting ingredient which IMDRIN contains. It surely goes to work fast and gets results."

Gratefully yours,
ARTHUR J. COLE
2757 Pine Grove, Chicago, Illinois

"I had arthritis and rheumatism so bad I could hardly get around. In fact, I went to several doctors who told me that my case was hopeless and that they could do nothing for me. Well, I had about given up hope when I saw your ad in the paper and bought a bottle of IMDRIN. I really think it's a wonder. I feel better with every dose I take. It seems like a dream to be free of so much pain."

MRS. A. R. WEBB
311 N. Bryan Street, Amarillo, Texas

"I am not getting paid for these words, but I want everyone to know what I know about IMDRIN. I had rheumatism and arthritis in my left shoulder and arm so bad I could hardly use it. Everytime I moved my arm it hurt just like sticking a knife into it. I was like a one-armed person. I tried all kinds of remedies that did no good. Then I tried IMDRIN. Now since I have IMDRIN, I suffer no more pain! No one can realize the wonderful relief it gives a person that suffered like I did. IMDRIN is worth hundreds of dollars to me."

A. C. STOCKTON
111 N. Wheaton Avenue, Wheaton, Illinois

"Even though my daughter is a registered nurse she could not find anything to help her agonizing arthritic pains. She tried everything but nothing did her any good. Then she bought IMDRIN and she has had miraculous results. I am going to tell all my friends about the wonderful relief from IMDRIN. It really is an amazing remedy.

MRS. C. C.
Kunkletown, Pennsylvania

WHERE RHEUMATISM STRIKES ...AND HOW TO DETECT IT!

Rheumatic and arthritic pain and inflammation can strike the joints in any of the indicated affected areas. (See arrows in chart above.) But these diseases have many forms and each form has varying symptoms. Sometimes the bones about the joints get larger and this growth interferes with the function of the joint. This condition is known as osteoarthritis or bone rheumatism. Rheumatoid arthritis is an infection of the joints which fill with fluid; the skin around them may be red, the joints themselves swollen and painful. Still another form is specific infectious arthritis.

All these various forms of arthritis and rheumatism are accompanied by pain, very often swelling and loss of function of the joints. Hospital and clinical test patients undergoing IMDRIN therapy, some of whom had suffered hopelessly for as long as twenty years, were able to resume more happy, active living once the pain subsided and their confidence grew. In cases where the joints were swollen and somewhat calcified, IMDRIN, working internally, reduced swelling and eased pain rapidly. These patients, many of whom had given up hope, were able to once again resume comfortable living. It is true that response to IMDRIN varied occasionally and your own experience may or may not coincide with that of patients tested. But IMDRIN today is your greatest hope. IMDRIN, with the new wonder-working ingredient, may give you the same blessed successful results. Get IMDRIN today!

TODAY—RESUME CONFIDENT PAIN-FREE LIVING WITH AMAZING NEW IMDRIN

FORMERLY CALLED EMDRIN

SAFE...SCIENTIFIC...

IMDRIN is a safe medicine evolved only after years of carefully controlled scientific and clinical research. It contains no dope or harmful drugs . . . is not habit forming. Hospital tests prove it is one of the fastest pain relievers for arthritic and rheumatic sufferers known to medical science. Start using IMDRIN today. Don't miss the chance to enjoy living once again.

How IMDRIN Helps You!

If you have suffered the tortures of the damned because of rheumatic and arthritic pains, swelling and stiffness . . . if you get up mornings dreading the suffering the day may hold, and do it day after day, month after month, year after year . . listen! IMDRIN may answer your problem of comfortable living. In case after case IMDRIN has proved its potency. IMDRIN is one of the fastest arthritic and rheumatic pain relievers known to medical science. Cases deemed almost hopeless . . . persons who suffered and wailed and hoped for as long as twenty years were able to live happy comfortable human lives once again. No other medicament for rheumatism and arthritis can make this amazing statement . . . and back it up with proven hospital and clinical records. DON'T GIVE UP HOPE. Amazing new IMDRIN brings new hope of a better life for you . . and it is as close to you right now as your GRAY drug store. Get IMDRIN today. Use only as directed. If you don't agree that amazing, new, scientific IMDRIN is the greatest blessing you've ever discovered, reutrn for your money back. Get IMDRIN today . . . resume comfortable living tonight!

Air Power Cut Rapped

WASHINGTON — (AP) — President Truman's budget brake on air force expansion plans stirred up a congressional hornet's nest yesterday Both Democrats and Republicans joined in

Mr Truman recommended a minimum 48-combat group air force in his budget message yesterday. Rep Vinson (D.-Ga.), prospective chairman of the House Armed Services committee, immediately disagreed.

"I am thoroughly convinced an overwhelming majority of congress will vote the funds to put into being a 70-group air force over a period of three or four years," Vinson said "It is the minimum we must have for security"

Senator Tydings (D-Md) chairman of the Senate Armed Services committee, said he didn't think the President's recommendations "ruled out" an ultimate 70-group force, but intended to study the matter very closely

Adds Woman's Touch

Avon WAC Aids Recruiting In Area

Adding the woman's touch to Army recruiting, is WAC Pfc Mary Brooks, of Avon, who is in charge of recruiting women for the WAC and the WAF in the Mansfield Army recruiting area

How does she approach prospective WAC or WAF enlistees? "I just tell them why I joined the Army. What interesting work it is, all the interesting people you meet, and how much I like being in the Army," Miss Brooks says.

According to her, the Women's Army corps or the Women's Air force, is a "wonderful opportunity for women, between the ages of 18 and 35, who want a career that includes security, good pay trade or professional training, and a chance for extensive travel"

Miss Brooks plans to stay in the WAC until she has her 20 years of service, then she plans to retire on pension

Before retiring, she will finish an accounting course through the Army's USAFI, a government subsidized educational program, and get a degree in accounting, so she is prepared to take a well paying job after being mustered out.

Pfc Brooks spent over two and a half years in the WAC during the war She was stationed at Camp Patrick Henry with the medical corps, as a surgical technician, having received her surgical training at the Army-Navy General hospital at Hot Springs, Ark.

With Advent of Television, Radio And Hollywood Facing Oblivion

TELEVISION soon will demolish the institution of Hollywood and reduce to puny harmlessness the invisible radio with its naive theatricals and its pundits, prophets and patrioteers.

This is bound to be. As the change occurs, swiftly and quietly, the control of the amusement industry, one of our greatest in point of revenues, may slip away from the monopoly which has possessed it from the days of the flickering films. It may get into the hands of worse men, but I doubt that.

Television will be flowing into the homes and we have a double standard which bars from the home offensiveness which we tolerate in theaters. It is difficult for young Americans to believe that such changes can be wrought in a short time.

However, many of us actually saw the sequence of the magic lantern, the silent movies, beginning in penny arcades and little fire-trap store fronts, and then the talkies, with beautiful color. We who saw that recall that the first "production" movies were jerky films which we endured with a degree of conscious tolerance knowing they were not very good yet. We endured them because they were cheap and were improved rapidly.

For many of us it was movies or nothing because the theatrical "road" skipped the smaller cities and towns except on rare occasions when the minstrels came by. The first talkies were pathetic. There was a phonograph behind the screen playing a record of the speeches and incidental sounds.

Hollywood began about 1910, but the greatest development has come since the first World War and has been concentrated in the last 15 or 20 years.

For a while, Hollywood will still have color which television hasn't got. But color will come on television just as color and sound come to the screen and then why would people go to the movies at high prices and some inconvenience?

I don't know yet who will pay for these free television shows, but somebody will. There will be better and better television shows and they will suck dollars away from the movie theater and Hollywood and radio.

Television is only a couple of years old but already it is killing interest in radio, and no wonder. Given the vastness of imagination for its state, free of cost, radio has been miserably paltry and selfpleased.

The comedy has been so bad that it has become the butt of the very comedians themselves And they are such poor actors that they can't even memorize their pieces or don't bother to.

Worse than that, even with the text before them, they botch their little recitations and improvise stupid remarkes to make light of this incompetence. The dramas are the most juvenile stuff, with long, explanatory asides which were used in the earliest comic strips.

And yet, radio stars collect salaries thus far unequalled even by rajahs and presume to political wisdom of corresponding importance.

The people in the amusement business are holding back to let the other fellow make the fatal mistakes of the trial and error period. A few pioneers have been ghastly flops already. Strangely, Milton Berle, a night club comedian, has become, as they say, a sensation, and but terrific.

To do this he had to disinfect his humor which, for a paradox, was revolting filth in its pure condition, but the sacrifice seems to have improved, not impaired his work.

Last of 4 Escapers In Custody

2 OSR Fugitives Beg for Food

The last two of a quartet of fugitives from Mansfield reformatory were apprehended near Delaware last night when they begged for food at a farmhouse.

Captured were Carl Daniels of Stark county and Delmar Weaver of Pickaway county, both 21. The third member of the gang, Mike Hall, 29, of Hamilton county, was captured Monday night while hitchhiking on Route 23 near Delaware.

Meanwhile, Emerson Cain, 21, of Pickaway county, captured in Delaware a few hours after the Sunday night escape from the institution's farm dormitory, was held in Mansfield city jail for investigation, in connection with the theft of a car in the city Sunday night.

A black, 1947 Ford sedan, bearing license number WH-319, reported stolen at the Coliseum, was found abandoned on a Delaware street later Sunday night. Glenn W. Gleason of Butler reported the car stolen.

Delaware police said they believed it was the same auto state higway patrolmen chased into Delaware after a Waldo service station attendant reported four men stopped for gas at his station and left without paying.

OSR officials said today that they would withhold claim on the fugitives if the county wanted to prosecute for the stolen car.

A. Volcanoff Dies At 76

Anastas Volcanoff, 76, of 1583 Springmill road, died at Madison hospital last night after an illness of one week.

Mr. Volcanoff was born in Macedonia and came to this country 35 years ago. He owned a candy store in Detroit before coming to Mansfield in 1932.

Prior to his illness, he was employed at the Mansfield bakery. He was a member of St. Clement's Macedonian Orthodox church of Detroit.

He is survived by a daughter, Mrs. John Chokreff of Mansfield; four grandchildren; and two nieces and three nephews, all of Cleveland.

Rev. George Nicholoff, pastor of the Detroit church of which Mr. Volcanoff was a member, will conduct funeral services at the Geiger funeral home at 2 p. m. Saturday. Burial will be in Mansfield cemetery.

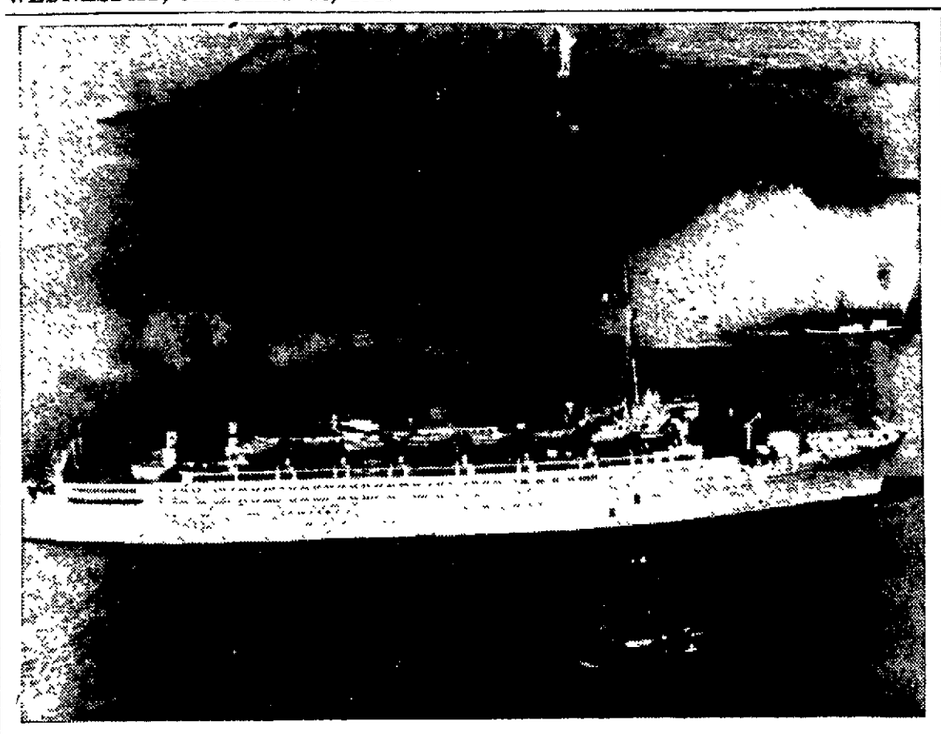
Friends may call at the funeral home until time of services.

Farm Couples Hear Dickerson

Dean Dickerson, president-elect of the Mansfield Chamber of Commerce, will address a class for young farm couples, to be held Thursday at 8 p. m. in the common pleas courtroom.

Dickerson's topic will be "Adjusting Our Farm and Home Program to Changing Conditions."

This will be the first of six successive Thursday night classes for young farm couples. County Agent C. N. McGrew and Miss Mabel Spray, home demonstration agent, also will speak at the meeting.



A NEW QUEEN OF THE SEAS—The $20,000,000 Cunard White Star Line's Caronia receives a gala welcome as she sails into New York harbor, completing her maiden voyage, crossing the Atlantic in a leisurely seven days. The Caronia, largest luxury liner launched since the end of World War II, carried 690 passengers from Southampton, England, and Cherbourg, France.

Mitchell Appointed To 3 Committees

C. L. Mitchell, Mansfield, starting his first term as Richland county representative to the Ohio general assembly, will serve on three important House committees, Speaker John F. Cantwell announced today.

Mitchell, a Democrat, was named to the important agriculture, conservation, and highways committees.

Ashland county's representative, J. Frank McClure, a Republican, was appointed to the powerful rules committee which is headed by Speaker Cantwell.

Every bill must bear unanimous approval of the rules committee before it can be placed on the house calendar for a vote.

McClure and House Minority Leader C. William O'Neill of Washington county are the only Republicans on the committee. Democrats, who control the legislature, hold a majority of the committee posts.

The conservation committee is headed by Ray White, Millersburg newspaper publisher, who is Holmes county's representative to the assembly.

Appointment of standing committees prepares the house of representatives for action.

Mitchell, who was elected by Richland countians last fall, is a former county commissioner and served for a number of years on the state fair board. His experience as a farmer and particularly as a sheep breeder qualified him for the agriculture committee post.

Other northcentral Ohio legislators who were named to committees included:

J. Wesley Masters of Morrow county, a Republican, to the agriculture and public welfare committees; Carl Baker, Crawford, Democrat, to the education committee; McClure, Ashland, insurance committee and welfare section of the finance committee; Frank H. Pierce, Huron county, Republican, to the welfare section of the finance committee.

GI Loan Rate Unchanged

Contrary to current reports that the interest rates on G I loans would be increased to four and half per cent, the Veterans Administration has announced that interest rates will remain at the present four per cent.

The last congress authorized the VA to increase the rate to four and a half per cent, with the the consent of Treasury Secretary John W. Snyder. But Carl R. Gray, VA administrator, said that after consultation with government leaders, veterans and banking institutions he had decided against making the increase now. He said he would review the situation later, "should economic conditions indicate the need for such a review".

Gray stated, "I have reached the conclusion that an increase in rates would not be in the veterans' best interests as the evidence fails to indicate that an increased rate will make more houses available to veterans".

Mayor Names New Secretary

Mayor Roy W. Vaughn announced today that he has named Mrs. Gertrude C. Dunham, 533 South Main street; as secretary to himself and Service — Safety Director Earl T. Garrison.

She replaces Mrs. Dorothy Davis, who resigned, effective Jan. 15.

Mrs. Dunham served as part-time correspondence secretary for Author — Farmer Louis Bromfield during the past six months. At present she works for the Social Security office in Mansfield.

Born in Delaware, she grew up in Mansfield, graduating from St. Peter's high school. She went back to Delaware and returned to Mansfield last year.

Seek 90-Day Trial Delay

NEW YORK — (INS) — Federal Judge Harold R. Medina today issued an order directing the government to show cause why the trial of 12 Communist party leaders should not be postponed for 90 days.

The new legal move by the dozen communist leaders charged with conspiracy to advocate violent overthrow of the government, is designed to postpone the trial scheduled for Monday.

The delay was asked chiefly for three reasons: (1) That William Z. Foster, national chairman of the party, is too ill to stand trial and that his presence is necessary from a defense standpoint.

(2) That the defense requires more time to prepare its case. (3) That the government has created "an atmosphere of fear" that has destroyed the possibility for "a free and uncoerced verdict by any group of jurors."

Death Takes Miss Knotts

Miss Blanch Knotts, 55, of 311 Ninth avenue, died Tuesday night at General hospital following a brief illness.

Miss Knotts was born May 3, 1893, at Grafton, W. Va., coming to Mansfield five years ago to care for her sister, Mrs. Ethel Wynn, who died in December.

The only survivors are several nieces and nephews, including Mrs. Virgil Withers and Burns Knotts, of Grafton, W. Va., and Marion Brown of Newark.

The body was removed to the Wappner funeral home for burial preparations and was today sent to Grafton where services will be held at the Bartlett funeral home, possibly on Friday. Burial will be at Grafton.

Delay Action On Reward

County Holds Up $5,000 Payment

Richland county commissioners have postponed indefinitely action on paying the $5,000 reward they offered for the arrest and conviction of the slayer of the three members of the John E. Niebel family.

Chairman Guy F. Stewart said, however, a meeting would be arranged with Prosecutor Harold Lutz to go over any legal technicalities in connection with the paying of the reward.

The new board of commissioners has not discussed the reward money, Stewart said. Asked if the board was going to pay the reward, Stewart said, "No comment."

Among the applicants for the reward are Sheriff Roy Schaffer of Van Wert county, who apprehended Robert Murl Daniels; and Frank Fremont, conservation division employe, who was wounded slightly in the shooting fray at Van Wert when Daniels was captured and John West, his accomplace, was fatally shot.

Others who have filed applications for the reward are Mrs. James J. Smith, widow of the 25-year-old Tiffin farmer who was shot and killed by West, and James A. Hildreth of Columbus, who claims that he witnessed a West-Daniel robbery in Columbus and later offered the information to the Columbus police that the two might have been responsible for the Niebel murders.

County commissioners offered the $5,000 on July 22, the day after the Niebel murders, but postponed action on giving the reward after Daniels was captured until conviction and carrying out of the sentence. Daniels was electrocuted for the Niebel murders in the Ohio penitentiary Jan. 3.

Ohio Editors Named To Pulitzer Juries

NEW YORK — (AP) — Two Ohio editors—Louis B. Seltzer, editor of the Cleveland Press, and William F. Maag, editor and publisher of the Youngstown Vindicator—will serve on the Pulitzer prize juries for this year. Erwin D. Canham, president of the American Society of Newspaper Editors, nominated Seltzer yesterday to choose exhibits of a "distinguished example of reporting on national affairs," and Maag to choose exhibits of "distinguished editorial writing."

MEMORIES—

"Mansfield is very near and dear to my heart," Mrs. Rose Markward Knox says in a letter to the News-Journal. "My life there as a young girl has left me with many sweet memories." The letter came as the result of a recent article telling of the story of Mrs. Knox in Collier's magazine. Head of the Knox Gelatine company in Johnstown, N. Y., Mrs. Knox at 91 is still helping manage the business. She was born in Mansfield and the late Augustus Krill was a playmate, according to Mrs. Krill, 146 Bowman street, who recalls her husband talking about his young neighbor. Both Krill and Mrs. Knox were born the same year and lived across the street from each other on West Fourth street between Walnut and Mulberry streets. Mrs. Krill remembers her husband telling how Rose Markward used to let him out of the smokehouse when his mother put him there for some dismeanor. The old Krill home was on the site of the present Montgomery-Ward farm store and the Markwards lived across the street. Rose Markward Knox's father had a hat store, Mrs. Krill remembers.

Refused To Sign Affidavits

Local 711 Reveals Action

Three shop stewards of Local 711, United Electrical Workers (Westinghouse) have been removed from union office because they refused to sign "non-communist affidavits," Joseph Hawkins, president of the union, disclosed today.

He said all the other 170 officers and stewards signed the statements affirming that they are not members of the Communist party.

The request that officers sign such "non-communist affidavits" was made as the practical method of enforcing a constitutional amendment approved by the union in November which bans communists from holding office.

Hawkins explained that the request that the statements be signed was considered the only practical method of discovering members of the Communist party and other subversive organizations in union office. He did not name the ousted stewards.

The "affidavit" contains a printed copy of the constitutional amendment, the first of its kind approved by any UE local in the United States.

The amendment states, in part, that persons shall be barred from holding office in the union if they ". . . actively participate in the activities of the Communist party or other subversive organizations that believe in the overthrow of the United States government by force. . . . "

The statement that the officers were asked to sign said:

"I have read the foregoing constitutional amendment and I hereby affirm that I can meet the requirements as set forth."

SPURS OTHERS

According to Hawkins, the action of Local 711 has spurred other UE locals in Ohio and other parts of the country to take similar action.

At a meeting of District 7 of the UE (Ohio), last week in Columbus, the representatives of Ohio's UE locals supported the action of Local 711.

This came about when, by a vote of 320 to 232, the membership ordered the executive committee to strike from its minutes a statement "disassociating itself (District 7) from the action of Local 711" (in the matter of barring communists from holding office).

Hawkins said the action means that the district has approved the right of any union to change its local constitution on the matter of communists if it desires.

He termed the action a "victory for the right wing segment of the UE."

Calhoun Heads Young Dems

William A. Calhoun was re-elected last night to head the Richland County Young Democratic club for 1949, at a meeting in Democratic party headquarters.

Others re-elected were George Connor, vice president; Mary G. Pagani, secretary and Thomas Hoffman, treasurer.

William Laser was elected sergeant-at-arms, succeeding James Jurgens. John Whitcomb was appointed chairman of the publicity committee and Charles O. Anglin, chairman of a Jefferson Day banquet committee. The banquet is to be held in April.

Meeting time was changed from the second Tuesday to the second Thursday of each month.

Institute Head To Talk Saturday

Dr. Thomas Moseley, president-dean of the Missionary Training Institute of Nyack, N. Y., will speak of the Grace Gospel church Thursday night.

Dr. Moseley will speak in the interest of the Institute and its building expansion program. A native of England, Dr. Moseley was graduated from the University of Southern California and took post-graduate work here. He spent 30 years as a missionary in West China and along the Tibetan border. He has held his present post since 1940.

Ohio Health Official to Talk At Hospital Cornerstone Rites

State and city officials will join in appropriate ceremonies when the cornerstone for the new Richland County TB sanatorium southeast of Mansfield is laid Thursday, Jan. 27 at 2:30 p. m.

J. A. Borowski, head of the hospital facilities for the Ohio Health Department, will be the principal speaker. Borowski did must to obtain federal aid for the building of the sanatorium when plans were discussed last year.

At the opening of the ceremonies, Dr. W. M. Taylor, pastor of the Park Avenue Baptist church, will give the invocation. Following Borowski's talk, Dr. Harry Wain, city-county health commissioner, will speak briefly.

Papers to be placed in the cornerstone by Dr. Oren A. Beatty, head of the present Richland County TB sanatorium, will include a history of the tuberculosis movement in the county and a Bible, provided by the Gideons of Mansfield. The history of the movement in this area is being written by Mrs. Grace McCausland, former nurse at the sanatorium, now a patient.

The trowel used in enclosing of the cornerstone will be presented to Richard Hunt, co-donor of the site on which the sanatorium is being built, by Dr. John S. Hattery, head of the TB building commission.

After the cornerstone has been put in place by Hunt, John Lewis, executive secretary of the Ohio TB and Health association, will speak briefly. The benediction will be given by Rabbi Moshe Goldblum.

Substitute Stars As Millersburg 5 Wins In Overtime

MILLERSBURG — Bill Shonk, an unheralded member of the reserve team, scored seven points in a pair of overtime periods to pace Millersburg high school to a 50-to-42 victory over Glenmont.

Glenmont rallied for three quarters to tie the game at 37-37. Each team made three points in the first overtime while Millersburg outscored the visitors, 10 to 2, in the second extra three minutes.

Shonk also scored seven points in Millersburg's 39-15 reserve victory.

Trio of Cage Games Listed

Three games at Senior high school will inaugurate the second half schedule of the National basketball league tonight.

The Independents and Home Materials will have the honor of opening the program at 7 p. m. AVC meets the Salesmen at 8 and Four Square Gospel clashes with Au Construction at 9 p. m.

Frankie Mitsch's, the first half champion of the loop, holds a bye this week and will open against the Independents next Wednesday.

American Racers Win 6-Day Test

CLEVELAND — (AP) — A pair of sprint specialists Cecil Yates of Chicago and Charlie Bergna of Paterson, N. J. closed with a rush last night to win the six-day bike race.

It was the same team which placed second the last time the whirl was held here about a year ago. Yates, who is 31 and an air force veteran, has competed in more than 100 races and this was the 20th time he was on the winning pair. Bergna had two firsts and several seconds in his record when he entered here.

Nine Cagers Tally Points For Winners

NEW LONDON — Putting on their best shooting clothes of the season, the Mansfield Madison Rams romped to a 55-to-37 victory over New London here last night.

JES JE

Coach Blaine Dowler's Rams connected 22 times from the court for a shooting percentage of .372. Dowler used 11 players to gain his fifth victory in seven games. Nine of the Ram cagers broke into the scoring column with five of them getting eight or more points.

BADER TOPS RAMS

Forward Ray "Dutch" Bader topped the well-balanced Madison attack with 10 points, although John Jetter and Captain White had 12 and 11 for the losing aggregation. Dowler used his regular center, Joe Distl, for less than three minutes to allow an injured back more time to mend.

Gene Riblet, subbing for Distl, came through with eight points.

A hot streak in the second quarter gave New London its only lead. Jim Brightbill and Bader sent the Rams away to a four-point lead at the outset and Madison held a 13-to-8 advantage at the quarter. Then Coach Bob Brownson's Wildcats began to roll. They scored eight straight points to take a three-counter lead.

LEAD CHANGING

Brightbill and Bader each hit a free throw and Riblet a fielder to return the lead to the visitors. The six-foot, four-inch Jetter then hit from the court but Larry Secrist came through with two points to put Madison back in the van.

Jetter knotted the score at 19-19 but Russ Glenn, Riblet and Secrist hit quick baskets to send the Rams in front for good. Madison led at the half, 27 to 23 and at the three-quarter mark, 39 to 27.

Brightbill ran his string of free throws to 14 straight before he missed one in the first quarter. Madison entertains Loudonville Friday.

CUBS TAKE SECOND

Coach Ennis Walkers Ram cubs copped their second straight victory in the opener, defeating the New London reserves, 22 to 17.

The lead changed hands five times before Madison poured on the coal in the last four minutes. The Rams led at the quarter, 6 to 3, but trailed at halftime, 8 to 9. The tally was knotted 11-11 as the final period opened.

Ross, New London sub, was the leading scorer with 12 points.

Bucyrus Redmen 'Scalp' Shelby Cagers, 62 to 39

BUCYRUS—The Bucyrus Redmen gained revenge for their only defeat of the 1948-49 basketball season here last night by pummeling Shelby, 62 to 39, in a non-league game.

In an earlier Northern Ohio league skirmish, Shelby nipped the Redmen, 40 to 39. Shelby leads the NCL with three wins while Bucyrus has six and one for the season.

Coach Al Pesek's Bucyrus quintet rode into a 14-to-6 lead in the first quarter and was in front at the other intermission points, 29 to 15 and 44 and 25.

LITTLE GUY SCORES

Don Widman, a little fellow as far as basketballers go, dumped in nine field goals and one free throw for Bucyrus but he had to surrender scoring honors to Dick Utz, 6-3 Shelby forward, who had 21 points. Widman, a 5-7 senior, weighs only 135 pounds. Utz connected on 13 of 15 gratis tosses.

Shelby salvaged the reserve encounter, 28 to 15.

New York Yanks Sign Up Poole

NEW YORK —(UP)— The New York Yankees, ignoring reports that they are ready to pull out of the all-America football conference, said today that they have reached a verbal agreement with star end George (Barney) Poole of the University of Mississippi.

The Yankees said that the 25-year-old ace pass catcher has agreed to sign a three-year contract calling for about $40,000 as soon as the collegiate baseball season is over at Ole Miss.

Cigar Store, Trojans Win In F-H Loop

D & M Cigar store and the Friendly House Trojans won close cage contests last night on the F-H court.

The Cigarmen came from behind to defeat Sponseller's Brake service, 25 to 22, while the Trojans snuffed out a late rally to top Reb Billiards, 21 to 17. Stillwell's basket in the final 30 seconds iced the game for the Trojans.

Cincy Grid Staff Tinged By Redskins

CINCINNATI—(AP)—The football coaching staff at the University of Cincinnati had a Redskin tinge today.

Two years ago Sid Gillman, George Blackburn and Joe Madro were guiding the gridiron strategy of the Miami university Redskins. Today, they make up the UC coaching staff, with Gillman as head man.

The exodus from Miami to Cincinnati was disclosed officially yesterday when M. Charles Mileham, UC athletic director, announced that Blackburn, head coach at Miami, and Madro, his assistant, would be signed as Gillman's assistants, effective Jan. 15. Gillman took the job as UC mentor several weeks ago after spending a year as line coach of Army.

BIG GRID 'RAID'

The acquisition of Blackburn and Madro strained relations between the two Mid-American conference teams, one Redskin official making use of the word "raid" in describing the action.

The Cincinnati Enquirer said Gillman "staged a successful raid yesterday."

C. Vivian Anderson of Cincinnati, president of the Miami board of trustees, who first disclosed that Blackburn and Madro were leaving the Oxford, O., school, told newsmen:

"I am sure Miami university would not raid another institution with which it has been in friendly athletic relations for more than a half-century."

WANT TO CANCEL

Expressing belief that the whole affair would "blow over," Anderson said, however, he had received calls from "Miami people urging that we cancel the Thanksgiving day football game." The game is an annual affair here.

Gillman said that Bill Schwarberg, one of three assistants under his predecessor, Ray Nolting, would be the only one retained in his setup.

Mileham told newsmen that Nolting's two other assistants, George Smith and Bud Bonar, would retain their faculty jobs as physical education instructors. However, Bonar announced later his intention of resigning immediately.

Ring Scribes Honor a Pair

NEW YORK —(AP)— Ike Williams of Trenton, N. J. world lightweight champion, and Daniel F. (Dumb Dan) Morgan, former fight manager, will be honored tonight at the tenth annual dinner of the Boxing Writers association of New York.

Williams will receive the Edward J. Neil Memorial plaque as the outstanding boxer of 1948.

Williams also will be awarded the ring magazine's annual award for the fighter of the year.

The 75-year-old Morgan will receive the James J. Walker merit award for service to the sport over a long period of years.

Another X-Ray

CLEVELAND — (AP) — Pitcher Don Black of the Cleveland Indians got ready today for another head X-ray at St. Vincent Charity hospital. Still hopeful of returning to the diamond he admitted he'd convalesce a while longer before deciding whether or not to try.

Small Pin Leagues Hit Lane Spotlight

Two of the smaller leagues hit the bowling spotlight last night as one bowler from each carved his name on the honor roll list.

W. White of the Westinghouse "C" circuit was the top man with 149-243-221—613, while C. Hughes of the Elks loop was not far behind with 199-196-215—610.

J. Stevens was runnerup among the Elks with a 211 single game and 589 series. Art Hilborn and Don Dancer were next in line with 553 while Lou Piller had 540, C. Rupp, 534, and D. Treisch, 533.

In the Westinghouse C loop, R. Page took the second spot honors with 564. C. Mikesell had 558; L. Spring, 557; P. Woodard, 542, and Lou Tridico, 537.

★

A 212-184-190—586 by Barney Mahoney sr. took the No. 1 spot in the Mansfield Tire league. Art Lindbeck had the best single game, 231, but his 573 series good enough only for runnerup.

Other good scores turned in by the Tiremen included: Chuck McMullen, 558; H. Stockwell, 557; Kenny Windsor, 546; J. Schmidt, 545; Ed Cirvinski, 539; and J. Gross, 528.

★

Paul Kurtz of the Teamsters rolled 175-222-166—563 to lead the Transportation league both in the single game column and the tie team-mate Gene Luedy for series honors. Luedy had 192-169-202.

Motor Cargo's George Percy followed with 547, Andy Bessler of Teamsters, 540 and Tony Augustine of Commercial Motors, 537.

★

Lou Faiello of Ritz Nite Club, was king-pin in the Richland C league with a 224-190-155—569 series. F. Black was runnerup with 553 while Bob Littler of Culp Jewelers had 543, and P. Nollert of the Ritz, 519. M. Pahls with 511 was the only other "C" leaguer to hit the 500 mark.

★

A 162-132-133—427 by Sophie Metz led the Westernghouse girls' league. Only two others went over the 400 mark as Ruth Metzger rolled 418 and Grace Chronister 417. All three of the leaders rolled for the same team.

Third Quarter Splurge Wins For Crestline

CRESTLINE — Crestline high school built up a big lead in the third quarter to defeat Galion in a non-league basketball game here last night, 49 to 45. Both clubs are members of the Northern Ohio league.

The first half was close all the way, with the Galion Tigers taking a 14-to-12 advantage at the quarter and leading at the half, 26 to 25. Crestline swept into a 41-to-35 lead at the three-quarter mark and never relinquished it.

Galion connected only 14 times from the court but made good on 17 free throws. Scoring honors went to John Johnson, Crestline center, who had 21. Ray Seif, Galion soph., came through with 17. It was Crestline's third win in six games.

Galion won the reserve game, 39 to 22.

Methodist 5 Wins Fifth In Church Loop

First Methodst clinched a tie for the first round championship in the Senior church league at the YMCA last night by defeating St. Matthew's, 23 to 15.

St. Matthew's had been tied with Park Avenue Baptist for second place but dropped into third. It was the fifth straight victory for the Methodists.

In other games, Lucas Lutheran rallied in the fourth quarter to nip First Christian, 31 to 29 and Ontario Community wrecked United Brethren, 32 to 9. Les McNeeley of Lucas led the scorers with 13 points.

Appleseeders Play Jackets

Johnny Appleseed junior high will be out to snap a three-game losing streak when it is host to the Mt. Vernon Yellow Jacket reserves tomorrow afternoon. Appleseed eighth graders and Mt. Vernon second stringers will meet in a preliminary at 4 p. m.

Appleseed has won only two of five games, defeating Union and Ontario reserves while losing to Mt. Vernon, Shelby, and Madison. Mt. Vernon won the first meeting of the two by a 40-29 score.

Kentuckians Nip BeeGee By 2 Points

The University of Kentucky's national championship basketball team made an excursion into Ohio last night to meet a scrappy Bowling Green five—and barely edged out a 63 to 61 victory.

It was the feature game on a double-header program at the Cleveland Arena. It was seen by 13,115 fans, most to witness a basketball game in Cleveland.

Earlier, they saw undefeated Akron university roll on to its 10th consecutive victory by downing Fenn college, 83 to 49.

The lead in the Kentucky-Bowling Green game changed hands 15 times and the count was tied on 11 occasions.

RALLY AT FINISH

With five minutes remaining, Kentucky had a five-point edge, 61-56. Emerson Speicher counted a basket and free throw to bring the Falcons within two points. Jimmy Line scored for Kentucky to widen the margin again, 63-59.

Then Bowling Green Guard Bob Long hooked a basket to cut the Kentucky edge to two points, with a minute to go. But the southern club controlled the ball for the rest of the game.

Ralph Beard, who led the Wildcats with 20 points, put Kentucky ahead to stay midway through the last quarter.

Although the Falcons lost the game, they salvaged individual scoring honors—Charlie Share accounting for 25 markers.

Wallace "Wah Wah" Jones had 14 for the victors and big Alex Groza 11.

Bellville Surprises Lexington, 48 to 25

BELLVILLE—An inspired Bellville high school basketball team put on a terrific second half scoring spree here last night to upset its arch-rival, Lexington, 48-25.

The loss all but knocked the Minutemen from the Richland county league race as they dropped to two-and-a-half games behind league-leading Ontario, with only six to play. Bellville remains one game ahead of "Lex."

A fast-passing offense and fine defensive work by Jim Fry, Will Walker and Jack Stevens turned what was expected to be a nip-and-tuck battle into a runaway. The trio combined in man-to-man offense to hold Lexington's leading scorers, Dick Dill and Duane Wirick to a single field goal. Dill scored off Fry in the first few seconds of the game and Wirick was never able to hit the basket.

REVERSE DECISION

Lexington had won 47-45 in the first meeting of the two teams this year.

Bellville outscored its opponents 11-6 in the first quarter last night but led only 20-15 at half-time. In the third quarter, however, the Blue Jays wrapped things up with an 11-point splurge while holding the visitors to one free throw.

Butler Blasts Union, 46-26

BUTLER — Exhibiting a tight man-for-man defense after the first quarter, Butler smashed Union in a Richland County Basketball league game here last night, 46 to 26. It was the third straight win for Coach Vern Chaney's Bulldogs.

Union pulled away to a 11-9 lead in the first heat as Forrest Pruner connected for four of his five field goals. The Union club was held to seven points in the next two quarters and fell out of contention. Butler led at the other intermission points, 20 to 14 and 36 to 18.

Dick Titlow, 5-11 Butler center, was the big scoring gun with seven fielders and three fouls for 17 points. Butler also ran away with the reserve game, 37 to 13, as Charles Bernard counted 13 points.

Stephenson's Baskets Win

PLYMOUTH — Two last-minute field goals by Jack Stephenson climaxed an uphill fight that spelled a 56-53 victory for Lucas over Plymouth here last night.

Stephenson collected a total of 24 points to lead his team in a second half comeback which overcame a 34-19 Plymouth half-time lead. Lucas outscored the home team 21-4 in the third period but fell behind again in the fourth quarter.

With the score standing 54-53 for Plymouth, Stephenson took command to put his team back in the van.

Lucas also won the reserve game 28-17.

Ontario Wins 7th In County

SHILOH—Twelve men broke into the Ontario scoring column here last night as the Richland county league-leaders doubled the score on little Shiloh, 72-36. It was the seventh straight league win for the warriors.

Coach Dick Casad cleared his bench early in the game to give all his charges an opporunity to play. Howard Sunnucks, the county's leading scorer, scored only 14 points as he saw little service. Ontario also won the reserve game 37-22 after leading 25-10 at the half.

Cleveland Signs 'Vet' Hank Gowdy

CLEVELAND —(AP)— Cleveland Indians today said they have signed Hank Gowdy, former New York Giants coach, as an assistant in their farm system.

He will serve as a "trouble shooter," traveling among the Tribe's 16 farm clubs to assist in ironing out various problems, an Indian spokesman said.

A 59-year-old veteran of 41 years in baseball, Gowdy will start off his work at Marianna, Fla., where the Indians will open a six week training camp on March 14 for 12 farm clubs.

PLASTI-LINER

ONE APPLICATION
Makes False Teeth Fit
For the Life of Your Plates
If your plates are loose and slip or hurt, use this amazing, pliable, non-porous strip to refit them yourself, for instant and permanent comfort. It's easy. Just lay the strip on your upper plate or lower plate, then bite and it molds perfectly. Hardens for lasting fit and comfort. Helps stop the embarrassment of slipping, rocking plates or the misery of sore gums. Eat anything and talk freely without fear your teeth will loosen. Ends forever the mess and bother of temporary applications that last only a few hours or months.
Easy to Re-Fit and Tighten False Teeth
PLASTI-LINER is tasteless and odorless. Won't injure your plate. Guaranteed to give satisfaction or your money back. Remarkable as per directions. Users say: "Until I used Plasti-Liner I used several kinds of liners without success. Now I can eat anything." H. H. M. "My plates are now better fitting than new." E. H. C. Plasti-Liner for one denture $1.25
